MOD Form 715DSC
(Established Apr 93) PPQ=50

After Last Flight Daily Servicing Certificate

Month/Year		

Unit Serial No/Sheet No	

This form is to be used for the certification of After Last Flight Daily Servicings for items registered on MOD Form 715DSR. The tradesman completing a servicing is to initial the box appropriate to the item and date. (Use red ink for any servicing applied due to reaching a non-usage interval limit). Initials are to be identified using the block overleaf. The tradesman's initials certify that the servicing has been completed in accordance with the appropriate schedule. (Countersignatures are not required). Additional After Last Flight Daily Servicings are to be recorded overleaf.

Item No	Date
