Hi Elaine,

Hope today went well.

Quick question – are you OK with adding this line to the document? It seems OK to me. Press Office have now said we can publish on Monday.

Kate
thanks for keeping me updated
Our only comment at present is for item under heading Thanet District Council consultation - just at end after the italics *'five swam in the sea.*"
We would wish to add if possible - **However the Environment Agency report did list all the beach and water users across the whole beach during the survey period. This report was published and available for public viewing on the Council website.**
regards

Hello [redacted]

This is just to let you know that I'm still waiting to be given a date to begin the consultation. Hopefully I'll have some news soon.

Did you have any comments on the document?

Regards,

Kate
