Good to speak to you this morning. I've attached our guidance explaining the evidence we need in support of dedesignating a bathing water, and links to our consultations web page showing how we set out the evidence. If you could send your application by 21 February at the latest there will be time for us to consult and make a decision before the bathing season begins. Please don't hesitate to give me a ring if you need any more information.

It's probably best to send the application to our shared mailbox, bathingwater@defra.gsi.gov.uk, as both Elaine Connolly and I have access to that one.

Kind regards,

Kate
