Thanks for that, sounds a good approach. Would be helpful to know from [redacted] and [redacted] who would want to attend from our end.

Hi [redacted]

Just spoken to [redacted] at the EA. They've already been discussing options with Crossrail so he's going to sort a date and I'll host here at City Hall. We'll basically use the same format we did for Neasden Lane.

[redacted] will be in touch.

Thanks

Hi [redacted]
Thanks for the heads up on that. As we discussed a couple of weeks ago I think it would be very helpful to have a meeting with Ealing and EA to discuss the current action plan in relation to Horn Lane and how that might need to be developed. We also need to consider what the trajectory is for

the area taking into account the local, regional and national measures there are and then what more might be needed to help move towards compliance etc.

Happy to come over to City Hall as well.

Subject: Horn Lane

Hi all

Just so you're aware, it looks like Horn Lane will reach 36 days with mean PM10 above 50 ug m-3 by the end of today.

If we're going to affiliate this site to the AURN we are going to need a more robust plan - and money to fund it.

I'm thinking about a four-way partnership between EA, Ealing, GLA/TfL and Defra (potentially through AQ grant).

If you're happy for me to do so, I'll set up a meeting with all four orgs to discuss options.

Thanks
