Subject: Coffee cup debate - Kendal based company would like to send Mr Stewart some reusable coffee cups
To: [REDACTED]

Hi,

I work [REDACTED] of Whitby & Co. an outdoor equipment and accessories distributor based in Kendal, Cumbria. One of the brands that Whitby & Co. distribute in the UK is Klean Kanteen who manufacture reusable, stainless steel cups, bottles, flasks and food canisters. The brand and Whitby & Co. have long been championing the need for an increase in the use of reusable cups, bottles and flasks in a bid to reduce the volumes of packaging waste created each day by our on-the-go culture.

We'd like to send Mr Stewart a selection of cups, bottles and food canisters for him and his family as we recognise the contribution he is making to the debate on coffee cup waste. Could someone please let me know if there is an appropriate constituency address that the samples can be sent to?

If you'd like any additional information, please don't hesitate to ask. Here are links to the Whitby & Co website and Klean Kanteen page.

Kind regards,

[REDACTED]
