Subject: Walpole Bay data

Hello [redacted]

Here are the raw data on Walpole Bay and a map showing the zones the beach was divided into for the counts of bathers. The data relate to zones C to M, because A and B are really part of the neighbouring beach (Fulsam Rock). The Thanet Council consultation also includes detailed information:

I'm cc'ing this to [redacted] and [redacted] as you may also find it useful.

Regards,

Kate
