Product Description	Green Minecraft-licensed children's slip-on moulded plastic clogs with heel/ankle strap and decorative charms.
Country of Origin	China
Counterfeit	No
Risk Level	Serious
Risk Type	Chemical
Risk Description	The product presents a serious chemical risk as the plastic material used for the clogs contains excess concentrations of lead and phthalates. Phthalates may harm the health of children, possibly causing damage to the reproductive system. Exposure to lead may cause a wide range of adverse effects, including damage to the kidneys, the circulatory system, and the developing brain. The unborn child and young children are the most sensitive to lead. For further information on the health effects of lead exposure, please see: https://www.gov.uk/government/publications/lead-properties-incident-management-and-toxicology. The battery compartment for the lights can also be easily removed, which could lead to a child accessing the button batteries during use. The product does not meet the requirements of the Toys (Safety) Regulations 2011.
Corrective Measures	The product has been recalled from end users by the retailer, F & F Stores Ltd, trading as Get Trend.
