Subject: Bather numbers for Thanet beaches during 2013 season

Hi Kate,

Please find attached the bather numbers results from our routine monitoring at beaches controlled by Thanet District Council, during 2013 bathing water season.

I have had a quick look at the data, and our sampling team seem to have picked up more bathers at Walpole Bay compared to the more detailed surveys conducted during July, August and September.

Let me know if you have any queries or comments about the data.

Many thanks
