Thank you for forwarding the dedesignation application and supporting documents. The next step will be for us to put a summary of the supporting evidence on the consultations section of the gov.uk website for a 6 week period. I'll send you a copy before the consultation goes live.

Under the current legislation we don't take water quality into account when a bathing water is being considered for dedesignation, therefore our consultation will focus on bather numbers and infrastructure.

Kind regards,

Kate
