ITT CSSF SJRP Project Audit
Evaluation Criteria and Treatment of Responses

TREATMENT OF RESPONSES

Bidders are expected to provide full answers to the questions posed.
Scoring will be on a mix of Technical and Commercial aspects. Provide your response as one document.

Technical Question Scoring Scale

Score Key Assessment	Score	Interpretation
Good	4	Satisfies the requirement with minor additional benefits.
Acceptable	3	Satisfies the requirement.
Minor Reservations	2	Satisfies the requirement with minor reservations.
Serious Reservations/Non compliant	1	Satisfies the requirement with major reservations.
Unacceptable/Non compliant	0	Does not meet the requirement.

Technical Evaluation Criteria

PART A - Technical	**Points**
Please set out the experience and background of the team to carry out the audit.	20
Please provide examples of two Non-Governmental Organisations (NGOs) you have audited in the past 2 years in Nigeria outlining the processes and procedures adopted to implement the audit. Information on the scale of the project and how long the audit took is very essential.	30
