

Helping Government

SBRI helps government organisations solve tough challenges by connecting them with innovative businesses.

Solve problems

80+

More than 80 public sector organisations have already used SBRI successfully, including:

Department of Energy & Climate Change

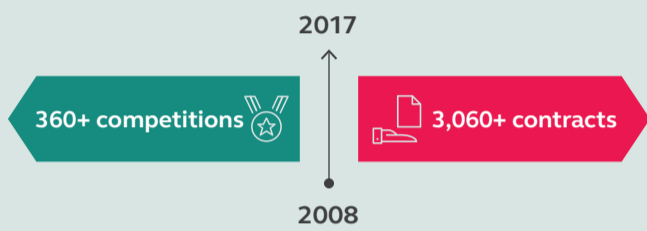

Ministry of Defence

“The real winners in this competition have been the patients. We know that we will save lives through these products.”

Karen Livingstone, Director of Strategic Partnership, NHS East of England

Access new ideas, suppliers and technologies

Save money and achieve objectives

For instance, SBRI could help the NHS...

£1.5bn
NHS SAVINGS

7.0m
PATIENTS HELPED

“Independent health economists predict that the Noctura 400 could save the NHS up to £1bn a year.”

Richard Kirk, CEO, PolyPhotonix

Drive the UK economy

Support small businesses

Encourage innovation

50%

More than 50% of businesses say taking part in SBRI makes them more likely to innovate in the future.

FIND OUT HOW YOUR GOVERNMENT ORGANISATION COULD BENEFIT FROM SBRI

support@innovateuk.gov.uk

Helping Business

SBRI offers innovators the chance to win a government contract of £1m or more to help demonstrate and develop their new technologies.

Get funding for new ideas

“The SBRI programme has been fantastic for us. It’s helped us move from an idea to a product that we know suits the need of the end user.”

Dan Hook, Managing Director of ASV

Increase sales

Attract investment

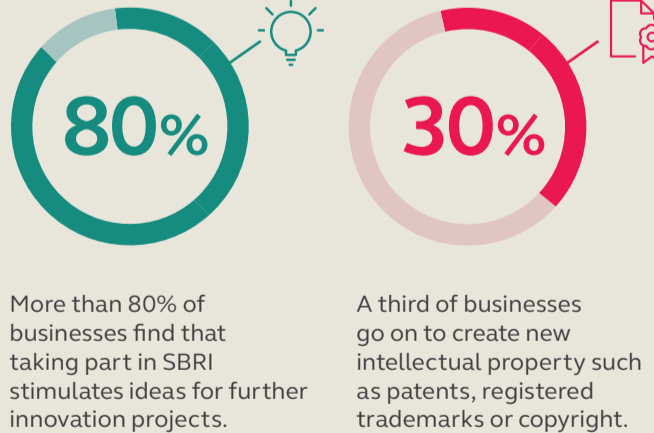

“It was a godsend to us. It finally meant that we were taken seriously by the British MOD. We never would have come into contact with government ministers otherwise.”

Asha Peta Thompson, Co-owner of Intelligent Textiles Ltd

Grow their business

Kickstart further innovation
