Maritime & Coastguard Agency

Health and Safety in oil spill response

Safer Lives, Safer Ships, Cleaner Seas

1

Maritime & Coastguard Agency

The First Steps

- Who is at risk from potential hazards?
- What is the hazard/risk?
- Assessing the hazard/risk
- Control measures

Then…

- Monitoring
- Feedback

Safer Lives, Safer Ships, Cleaner Seas

2

Maritime & Coastguard Agency

Who is at risk?

- Clean-up personnel
  - supervisory staff
  - observers
- General public
  - local residents
  - volunteers
  - media (TV & radio)

3

Maritime & Coastguard Agency

Risk Assessment

1. Look for the hazards
2. Decide who might be harmed and how
3. Evaluate the risks and decide whether the existing precautions are adequate or whether more should be done
4. Record your findings
5. Review your assessment and revise it if necessary

4

Maritime & Coastguard Agency

Potential hazards in oil spill response

- Oil
- Weather
- Clean-up equipment
- Clean-up chemicals
- Working area
- Working practices
- Simultaneous operations

Safer Lives, Safer Ships, Cleaner Seas

5

Maritime & Coastguard Agency

Oil hazards

- Toxicity
  - inhalation / ingestion / contact
- Flammability
  - Fire / explosion
- Oxygen displacement
  - Confined spaces
- Slippery
  - Slips and falls

Safer Lives, Safer Ships, Cleaner Seas

6

Maritime & Coastguard Agency

Weather hazards

- Cold
  - Exposure, wind chill, hypothermia
- Wet
  - Discomfort, low morale
- Heat
  - Heatstroke, dehydration
- Sun
  - Sunburn, sunstroke

Safer Lives, Safer Ships, Cleaner Seas

7

Maritime & Coastguard Agency

Clean-up equipment hazards

- Rotating equipment
- Vacuum equipment
- Complexity / size
- Hand tools

Safer Lives, Safer Ships, Cleaner Seas

8

Maritime & Coastguard Agency

Clean-up chemicals hazards

- De-fatting of skin by detergents
- Product information sheets
- Hazard Data Sheets

Safer Lives, Safer Ships, Cleaner Seas

9

Maritime & Coastguard Agency

Working area hazards

- Unfamiliar work site
- Shoreline
  - cliffs
  - beaches / intertidal zone
- At sea
  - vessel movement
  - cluttered working area
- Wildlife

Safer Lives, Safer Ships, Cleaner Seas

10

Maritime & Coastguard Agency

Difficult working conditions

11

Maritime & Coastguard Agency

Working practice hazards

- Night Operations
- Slips, Trips, and Falls
- Manual Handling
- Transport and Materials / Waste Disposal
- Fatigue
- First Aid

Safer Lives, Safer Ships, Cleaner Seas

12

Maritime & Coastguard Agency

Control measures

- Safe working practices
  - control of work (permit control)
  - task risk assessments
  - information/instruction/training
- Site control
  - barriers, police, access control
  - control zone concept
- PPE

Safer Lives, Safer Ships, Cleaner Seas

13

Safer Lives, Safer Ships, Cleaner Seas

14

Maritime & Coastguard Agency

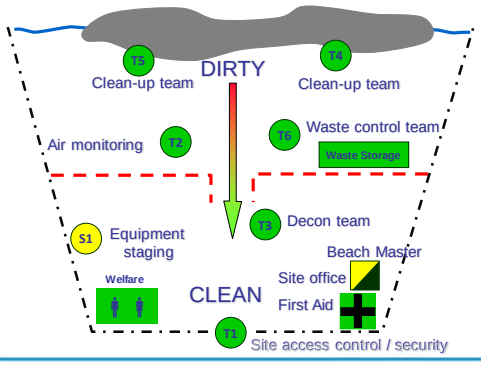
Site Safety Assessment

- Unfamiliar working environment
- Safety assessor
  - qualifications
  - experienced
  - analysis of risk
- Reporting
  - site assessment pro-forma
  - liaise with planning / operations

Safer Lives, Safer Ships, Cleaner Seas

15

Work Site Control



16

Safe Working Practices

Maritime & Coastguard Agency

- Supervision and training
- Communications
  - emergency contacts
- Welfare considerations
  - personal protective equipment
  - food and shelter
- Decontamination
  - cleaning stations
  - personnel and equipment

Safer Lives, Safer Ships, Cleaner Seas

17

Management of Volunteers

Maritime & Coastguard Agency

- Register & co-ordinate
- Fit skills to roles
- Minimum training?
- Equipment
- Wildlife and Logistics
