October 2026

Dear David Wright,

I am writing following the intervention assessment of Boston College by the Further Education (FE) Commissioner and her team on 12 and 13 May 2026.

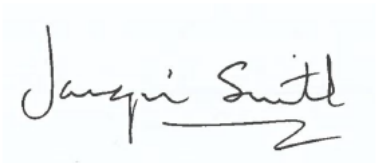
I have accepted the recommendations of the FE Commissioner, which are included in the assessment report attached with this letter. I regard it as a serious matter when a college enters intervention, and I urge you to ensure that these recommendations are fully implemented.

The FE Commissioner team will continue to lead regular cases conferences and stocktake assessments with the college to provide support and monitor progress.

A copy of the summary assessment report and this letter will be published on GOV.UK at: https://www.gov.uk/government/collections/further-education-commissioner-intervention-reports. Once confirmed, the intended publication date will be shared with you. The college must also publish the summary report on its website within 14 days of it being issued.

I have written separately to the Richard Tice MP (Boston and Skegness), in whose constituency your college is based to inform him of the FE Commissioner's findings.

Yours sincerely,



The Rt Hon Baroness Jacqui Smith
