

Global Talent: Endorsement Review form

This form is only to be used to request a review of the decision to refuse your application for endorsement.

Applications for endorsement do not extend any permission you hold in the UK while they are under consideration. If you are already in the UK and your permission expires, you will be considered to be overstaying in the UK.

Please email this form to:

GlobalTalentEndorsements@homeoffice.gov.uk

The Home Office will use the personal information you provide to consider your application. We may also share your information with other public and private sector organisations in the UK and overseas. For more detail please see the Privacy Notice for the Border, Immigration and citizenship system at www.gov.uk/government/publications/personal-information-use-in-borders-immigration-and-citizenship. This also sets out your rights under the Data Protection Act 2018 and explains how you can access your personal information and complain if you have concerns about how we are using it.

This form is to be used for applications made on or after 20 August 2021

You may apply for an endorsement review if you believe that there was an error in the processing of your application or that the relevant endorsing body did not apply its criteria correctly resulting in an incorrect decision.

You may only apply for one endorsement review.

You may not submit any new or further information or documents in support of your request for endorsement review. If you wish to submit new information or documents, you must make a fresh Global Talent application. It is your responsibility to ensure that you have reviewed the scheme criteria and guidance and that the correct documentation and evidence was submitted at the time of your application.

You must read the guidance on endorsement reviews in the Global Talent policy guidance before submitting a review request. The guidance is available at: www.gov.uk/government/publications/endorsement-review-for-global-talent/endorsement-review-guidance

We will aim to let you have the result of the review within 28 calendar days. If we are unable to complete the endorsement review within 28 calendar days we will email you to let you know when you can expect a decision.

You must email this form to the address below within 28 calendar days of the date that we send the email with the decision to refuse your endorsement application.

Please email your endorsement review request to: GlobalTalentEndorsements@homeoffice.gov.uk
