If you cannot make your application online, you can download the application form for student finance and a DSA Slim form from [www.gov.uk/studentfinance](http://www.gov.uk/studentfinance).

**Application deadline**

You should make your application as soon as possible and no later than 9 months after the start of your academic year. See page 9 of the DSA1 notes for academic year dates. How to get Disabled Students’ Allowance (DSA) in 3 easy steps

1 Apply for DSA
Complete all sections in this form, and return it with all the evidence we need. The sooner we receive your completed form with all evidence the quicker we’ll be able to tell you if you could get DSA.
Make sure you sign and date the terms and conditions at the end of this form.

2 Find out exactly what equipment and support you need
If you are eligible for DSA you will need to attend a Study Needs Assessment to make sure you get the right specialist equipment and/or services to help you complete your course. We’ll send you a letter to tell you when you can book your Study Needs Assessment.
After you’ve attended your Study Needs Assessment, the Assessment Centre will send us a report. This will recommend equipment and other support you may need, how much it will cost and who can provide it. You will also receive a copy of this report. We will review their recommendations and make our final decision.
This process can take some time – make sure you book your Study Needs Assessment as soon as you get our letter so that you can get all the necessary equipment and support before your course starts.

3 Get your equipment and support
We’ll send you a DSA entitlement letter to tell you what equipment and other support you will receive DSA for. The letter will also provide instructions on how to arrange delivery of your equipment and/or arrange other support. Don’t buy or arrange equipment or support before you receive your DSA entitlement letter because we won’t be able to reimburse you for these costs.

Where you see this icon you should check the guidance notes for help to complete a question.
Where you see this icon you need to send evidence with your application. Use the guidance notes to find out what you need to send.

You may be eligible for a bursary or scholarship. In order for a university or college to determine and pay any bursary or scholarship to which you may be entitled, we will share some of your personal, financial and course details as well as information about your eligibility for student finance with them. For more information about this, read our Privacy Notice.
Please contact the university or college if you require further information about their bursaries and scholarships.
If you have applied for student finance before, please provide your Customer Reference Number.
