If you do not have enough allowance to cover the full amount, a C18 post-clearance demand will be issued for the remaining amount.

To claim de minimis aid, you'll need to be registered for HMRC's online service. You can find more information about de minimis aid and about registering online. Go to www.gov.uk and search for 'check if you can claim a waiver for goods brought into Northern Ireland'.

Only submit one declaration. This will avoid duplicate C18s being issued.

The processing of your underpayment may be delayed if the basis of your claim is unclear.

What happens next

We aim to process your voluntary declaration within 10 working days of receiving a valid declaration.

Please note that:

- interest may be due and payable on debts unpaid after 10 days of the date of issue of the C18
- if there is an element of duty repayment the C18 team will first process the underpayment aspect and then pass the paperwork to the National Duty Repayment Centre (NDRC) to process the refund
- you can claim the overpayment VAT through the consignee's next VAT return
