- 6.2 This Statement of Changes in Immigration Rules will be incorporated into a consolidated version of the Immigration Rules. This can be found on the GOV.UK

website, where all the Statements of Changes in Immigration Rules issued since May 1994 are published.¹

- 6.3 These changes will be implemented at 1600 on 11 October 2021 as detailed in the implementation section of the accompanying Statement of Changes.

7. Policy background

What is being done and why?

- 7.1 The Seasonal Worker route is used by edible horticulture workers (fruit and vegetable pickers) to come to the UK and work on farms. Poultry production and haulage driving roles involving the transportation of food goods have been added to the Seasonal Worker Immigration Rules, to allow these workers to come into the UK through the Seasonal Workers route. This route provides the best framework within the immigration system for facilitating the entry of overseas workers in these roles as quickly as possible, in response to potential reduced availability of some food products in the run up to Christmas.
- 7.2 Applications for the purposes of working in the poultry production sector must be made before 15 November 2021. This is so workers can be in the UK for a meaningful amount of time before their permission ends on 31 December 2021.
- 7.3 Applications for the purposes of working in haulage driving involving transportation of food goods must be made before 1 December 2021. This is so workers can be in the UK for a meaningful amount of time before their permission ends on 28 February 2022.

8. European Union Withdrawal and Future Relationship

- 8.1 This instrument does not relate to withdrawal from the European Union or trigger the statement requirements under the European Union (Withdrawal) Act.

9. Consolidation

- 9.1 The Government has committed to the consolidation of the Rules as part of its response to the Law Commission recommendations on simplifying the Immigration Rules.

10. Consultation outcome

- 10.1 The changes in this Statement have not been the subject of a formal public consultation, as this would be disproportionate given the nature of the changes.

11. Guidance

- 11.1 Guidance relating to these Rules changes will be updated and placed on the GOV.UK website.
