## **Annex 2 - The Measures in the Captive Bird (Monitoring) Controlled Zone – Area B**

### **Record of visitors**

- 1) Subject to paragraph 5, the occupier of any premises in the zone where poultry or other captive birds are kept must make records of—
  - (a) the name and address of any person visiting the premises (unless the visit is only to a part of the premises where people live and where no poultry or other captive birds are kept);
  - (b) the date of the visit;
  - (c) whether the person had any contact with poultry or other captive birds on the premises.

### **Record of poultry**

- 2) The occupier of any premises in the zone must make a record of all poultry entering or leaving those premises as soon as reasonably practicable after the movement.

### **Record of poultry and egg movements**

- 3) Subject to paragraph 5, any person who is engaged in the transport or marketing of poultry or poultry eggs in the zone must make a record as soon as reasonably practicable of all poultry and poultry eggs transported or marketed by him.

### **Poultry movements to be recorded**

- 4) The records referred to in paragraphs 2 and 3 above must include—
  - (a) the quantity and description (including species of poultry or type of egg) transported or marketed;
  - (b) in the case of a movement from premises in the zone—
    - (i) the date of the movement off the premises;
    - (ii) the premises of destination (if known);

- (iii) the name and address of the person to whom ownership or possession is being or has been transferred;
- (c) in the case of a movement on to premises in the zone—
  - (i) the date of the movement;
  - (ii) the premises from which the movement originated (if known);
  - (iii) the name and address of the person from whom ownership or possession is being or has been transferred;
- (d) in the case of marketing without an associated movement, the identity and address of the person to whom and the date on which ownership was transferred.

### **Scope of record keeping duties**

- 5) Paragraphs 1 and 3 do not apply in respect of—
  - (a) a movement of eggs direct to retail premises, at or from such premises or subsequent to such a movement;
  - (b) the movement of people to zoos, wildlife parks or (unless required by the Secretary of State) any other premises open to the public, provided the public has no access to any area where birds are kept;
  - (c) the movement of the following onto any premises where poultry or other captive birds are kept—
    - (i) any person on a public right of way or exercising a right of access to the premises;
    - (ii) trespassers;
    - (iii) any person executing this Order.

### **Biosecurity measures**

- 6) The occupier and any person entering or leaving premises in the zone where poultry, other captive birds or eggs are kept must—
  - (a) take such biosecurity measures as he considers necessary to reduce the risk of the spread of avian influenza to or from the premises; and
  - (b) comply with any biosecurity requirements which a veterinary inspector or an inspector under the direction of a veterinary inspector, by notice to him, imposes.

### **Gatherings of poultry**

- 7) No person shall permit any poultry or other captive birds to be collected together at any fair, market, show, exhibition or other gathering in the zone.

## **Release of game**

- 8) No person shall release game birds.

## **Cleansing and disinfection of vehicles carrying any thing which may be contaminated**

- 9) A person who moves any poultry, other captive bird, meat, feed, manure, slurry, litter or any other thing which may be contaminated must cleanse and disinfect the vehicle and any equipment used to transport that thing as soon as it is unloaded, in accordance with article 66 of the Order.

## **Cleansing and disinfection of vehicles**

- 10) A person who enters or leaves premises in the zone by vehicle must cleanse and disinfect any part of the vehicle which may have been contaminated without delay, in accordance with article 66 of the Order.
