## Notes to the accounts

(see notes 82 and 83)

All notes to the accounts must be entered on or attached to this part of the return.

See attached notes in the accounts.	

#### NATIONAL UNION OF RAIL, MARITIME AND TRANSPORT WORKERS

## NOTES TO THE FINANCIAL STATEMENTS YEAR ENDED 31 DECEMBER 2020

#### 1 INFORMATION IN RESPECT OF THE UNION

The National Union of Rail, Maritime and Transport Workers is a trade union registered in accordance with the Trade Union and Labour Relations (Consolidation) Act 1992 with its head office at Unity House, 39 Chalton Street, London NW1 1JD.

#### 2 ACCOUNTING FRAMEWORK

The accounts have been prepared in accordance with FRS102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS102"). The Union is a Public Benefit Entity.

In accordance with FRS102, the format of these accounts is based on those contained in the Regulations to the Companies Act 2006, notwithstanding that the Union does not report under that Act. The formats have been adapted, as required by Part 1 of Schedule 1 of the Regulations, in order that they give a true and fair view of the Union's activities.

#### 3 PRESENTATION CURRENCY

The accounts are presented in sterling and rounded to the nearest thousand Pounds.

#### 4 GOING CONCERN

The National Executive Committee has considered the effect of the Covid-19 outbreak. The National Executive Committee considers that the outbreak is likely to cause some disruption to the Union's business but does not believe that this will be significant. The National Executive Committee has a reasonable expectation that the Union can continue as a going concern for a period of at least twelve months from the date of approval of these financial statements.

#### 5 SIGNIFICANT ACCOUNTING POLICIES

The accounts have been prepared under the historical cost convention, as modified to include the revaluation of certain fixed assets, and in accordance with the specific accounting policies set out below.

#### (a) Contribution income

Contributions are accounted for on an accruals basis.

#### (b) Expenditure

Expenditure in the accounts is presented inclusive of VAT where applicable.

#### (c) Investment income

Income from the Union's investments in equity and debt instruments and rental property is accounted for on an accruals basis.

### NOTES TO THE FINANCIAL STATEMENTS (continued) YEAR ENDED 31 DECEMBER 2020

#### 5 SIGNIFICANT ACCOUNTING POLICIES (continued)

#### (d) Taxation

Current tax is payable on the excess of interest income, rental income and chargeable gains arising on the disposal of properties and investments over expenditure on the provident benefits and reinvested chargeable gains for the year. Current tax is calculated using tax rates that have been enacted or substantively enacted by the reporting end date.

Deferred tax liabilities are generally recognised for all timing differences and deferred tax assets are recognised to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable income. Deferred tax is calculated at the tax rates that are expected to apply in the period where the liability is settled or the asset is realised. Deferred tax is charged or credited in the income and expenditure accounts.

The Union has adopted a reinvestment policy whereby all realised proceeds on the disposal of investments are reinvested into other chargeable assets, thereby eliminating any current tax liability and thereby the need for the recognition of a deferred tax liability. Where the proceeds are not fully reinvested no current tax liability is considered likely to arise due to expenditure on provident benefits exceeding any chargeable gains that might arise.

#### (e) Tangible fixed assets

Tangible fixed assets are initially measured at cost. Office equipment and the land and buildings comprising the Union's Education Centre are subsequently measured at cost and the Union's office buildings (including Head Office) are subsequently measured at valuation, in all cases net of depreciation and any impairment losses. At each reporting date, the Union reviews the carrying amounts of its tangible fixed assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). Impairment losses are recognised in the income and expenditure account.

Depreciation is provided on all tangible fixed assets, except freehold land, to write off the cost or valuation, less estimated residual value, on a straight line basis over the estimated useful lives of the assets. The rates applied are as follows:

Freehold buildings - 2% per annum
Office equipment - 20% per annum

The gain or loss arising on the disposal of a tangible fixed asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in the income and expenditure account.

## NOTES TO THE FINANCIAL STATEMENTS (continued) YEAR ENDED 31 DECEMBER 2020

#### 5 SIGNIFICANT ACCOUNTING POLICIES (continued)

#### (f) Investment properties

Investment properties are initially measured at cost and subsequently measured at fair value. Changes in the fair value of investment properties are recognised in the income and expenditure account.

#### (g) Financial assets and liabilities

Financial assets and liabilities are grouped as either "Basic financial assets or liabilities" or "Other financial assets or liabilities" based on their particular characteristics and are accounted for accordingly.

Basic financial assets

Basic financial assets include cash and bank balances and trade and other debtors. Basic financial assets are initially measured at transaction price and subsequently measured at cost less any impairment losses.

Other financial assets

Other financial assets include the Union's investments in listed and unlisted equity and debt instruments.

Listed investments are initially measured at fair value, which is normally the transaction price, and subsequently measured at fair value (market value). Changes in the fair value of listed investments are recognised in the income and expenditure account.

The Union does not consider that reliable on-going estimates of the fair value of its unlisted investments are available. As a result, unlisted investments are initially measured at transaction price and subsequently measured at cost less any impairment losses unless a fair value can be determined.

Impairment of financial assets

At each reporting date, the Union reviews the carrying amounts of all financial assets carried at cost to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). Impairment losses are recognised in the income and expenditure account.

Basic financial liabilities

Basic financial liabilities include trade and other creditors and bank loans. Basic financial liabilities are initially measured at transaction price and subsequently measured at cost. Debt instruments repayable in more than one year, including bank loans, are subsequently measured at amortised cost using the effective interest method, in order to systematically allocate the interest expense over the expected repayment period of the debt.

## NOTES TO THE FINANCIAL STATEMENTS (continued) YEAR ENDED 31 DECEMBER 2020

#### 5 SIGNIFICANT ACCOUNTING POLICIES (continued)

#### (h) Post-employment benefits

The Union recognises the present value of its defined benefit pension obligations, net of the fair value of plan assets, as its "net defined benefit pension liability" in the balance sheet and the net change in that liability during the period in the income and expenditure account or as other comprehensive income as appropriate depending on the nature of the change.

The Union measures the cost of its pension obligations using the projected unit credit method which incorporates a number of actuarial assumptions and is discounted to present value using an appropriate discount rate derived from the rate of return on a high quality corporate bond of the same currency and a term similar to the estimated period of the future payments. It is the Union's policy to engage an independent actuary to perform the detailed actuarial calculations necessary to value its defined benefit pension obligations.

The change in the net defined benefit pension liability arising from employee service rendered during the reporting period is recognised in the income and expenditure account within the operating result; the net interest on the net defined benefit pension liability during the reporting period is recognised in the income and expenditure account within income from investment operations; and the remeasurement of the net defined benefit liability, including actuarial gains and losses, is recognised in other comprehensive income.

#### 6 JUDGEMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY

In the application of its accounting policies, the Union is required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates. All significant estimates and underlying assumptions are reviewed on an on going basis and the relevant carrying amounts of assets and liabilities are revised to reflect any changes.

As at 31 December 2020 the carrying amounts of the following assets and liabilities were subject to judgement or to estimation uncertainty:

It is the Union's judgement that reliable estimates of the fair value of its unlisted investments, as included in note 13 to the accounts, are not available. As a result, unlisted investments are measured on the basis of the latest purchase offer.

The fair values of the Union's investment properties and other land and buildings, as included in note 11 and note 12 to the accounts, cannot be directly observed. In order to manage the resulting estimation uncertainty the Union engages independent valuers to provide all material valuations. As at 31 December 2020 an independent valuation of the Union's investment property was undertaken following the completion of the refurbishment work.

## NOTES TO THE FINANCIAL STATEMENTS (continued) YEAR ENDED 31 DECEMBER 2020

#### 6 JUDGEMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY (continued)

The Union is involved in numerous on-going legal cases on behalf of its members, the total cost and outcome of which are uncertain. At each balance sheet date the Union considers all cases on a portfolio basis in order to arrive at an estimate of its liability for unbilled legal costs in respect of cases which may prove to be unsuccessful.

The cost of defined benefit pension plans is determined using actuarial valuations. The actuarial valuation involves making assumptions about discount rates, future salary increases, mortality rates and future pension increases. Due to the complexity of the valuation, the underlying assumptions and the long term nature of these plans, such estimates are subject to significant uncertainty. In determining the appropriate discount rate, management considers the interest rates of corporate bonds in the respective currency with at least AA rating, with extrapolated maturities corresponding to the expected duration of the defined benefit obligation. The underlying bonds are further reviewed for quality, and those having excessive credit spreads are removed from the population bonds on which the discount rate is based, on the basis that they do not represent high quality bonds. The mortality rate is based on publicly available mortality tables for the specific country. Future salary increases and pension increases are based on expected future inflation rates for the respective country. Further details are given in note 18.

#### 10 TAXATION

#### Current tax

No Corporation Tax liability arises as the cost of provident benefits provided by the Union in the year is in excess of taxable income.

#### Deferred tax

The Union does not expect any tax liability to arise in the event of the sale of the properties and investments measured at fair value in these accounts as a result of its on-going reinvestment policy and the availability of provident benefit and other reliefs. Accordingly no deferred tax liability has been recognised as at the balance sheet date. The Union is aware that all chargeable assets were disposed of in any particular year there may be a current tax liability. However, as the disposal of such assets is controlled as part of the reinvestment policy of the Union, this likelihood is considered remote and consequently no deferred tax provision has been made.

At 31 December 2019				7,109

All land and buildings are freehold.

Cost or valuation in respect of other land and buildings reflects the following:

The National Education Centre, Doncaster, is carried at its historic cost of £3,753,000 plus additions less accumulated depreciation.

Unity House, Chalton Street, London was valued at £8,500,000 as at 31 December 2020 by CBRE and is carried at that value.

All properties aside from the above were valued as at 31 December 2017 by professional valuers. They are carried at that valuation plus additions less accumulated depreciation.

## NOTES TO THE FINANCIAL STATEMENTS (continued) YEAR ENDED 31 DECEMBER 2020

#### 18 POST-EMPLOYMENT BENEFITS

The Union operates a defined benefit pension scheme for its employees and officials. The assets of the scheme are held in trustee administered funds separate from the Union's finances.

In addition to the funded scheme, the Union has granted unfunded supplementation benefits to certain historic pensioners of the National Union of Railwaymen.

The details of both of these schemes are given in the following notes.

#### 1. The National Union of Rail, Maritime & Transport Workers Pension Scheme

From 1 January 1991, the Fund incorporates the assets and liabilities of the National Union of Railwaymen's Employee's Superannuation Fund. From 31 January 2008 the Fund incorporates The National Union of Seamen - Officials' and Employees' Superannuation Fund.

The Fund is a funded defined benefit scheme providing benefits based on final pensionable salary. The basis of determining the final pension and the rates at which the member and the Union provides contributions differ depending on when the member entered the Fund. Contribution rates are determined by the Fund's actuary. A salary sacrifice arrangement is now in place resulting in the Union making contributions on behalf of members and members having a corresponding reduction in pay.

The Union pays additional employer contributions of £490,000 per annum until 31 December 2026.

The most recent actuarial valuation was carried out as at 31 December 2017. This valuation showed that the fair value of the assets of the Fund was £64.2 million. The estimated actuarial value of the liabilities is assessed as being £68.4 million, which represents a deficit of £4.2 million and a funding level of 94%, compared to the projected liabilities. The next triennial actuarial valuation will be performed as at 31 December 2020 and is still to be completed.

The most recent comprehensive actuarial valuation has been updated by independent actuaries appointed by the Union in order to measure the defined benefit pension obligation as at 31 December 2020. The result of this updated valuation is reported below.

2020

2010

#### Net defined benefit pension liability at the balance sheet date

	£'000	£,'000
Fair value of scheme assets Present value of defined benefit pension obligations	74,594 (83,208)	68,127 (74,022)
Net defined benefit pension liability	(8,614)	(5,895)

## NOTES TO THE FINANCIAL STATEMENTS (continued) YEAR ENDED 31 DECEMBER 2020

#### 18 POST-EMPLOYMENT BENEFITS (continued)

Reconciliation of opening and closing balances of the present value of defined benefit pension obligations

	2020	2019
	£'000	£,'000
Scheme liabilities at start of year	74,022	72,267
Current service cost	1,515	1,262
Past service cost (GMP equalisation)	-	-
Interest expense	1,473	2,081
Actual contributions - members	24	33
Actual benefit payments by the scheme	(2,329)	(2,336)
Actuarial loss/(gain)	8,503	715
Scheme liabilities at end of year	83,208	74,022

The current service cost is the cost to the Union of pension rights earned by members of the scheme in the year.

#### Reconciliation of opening and closing balances of the fair value of scheme assets

	2020	2019
	£'000	£,'000
Fair value of scheme assets at start of year	68,127	60,663
Actual benefit payments by the scheme	(2,329)	(2,336)
Actual contributions - employer	1,956	1,920
Actual contributions - members	24	33
Administrative expenses paid by scheme	(289)	(335)
Interest income	1,356	1,749
Return on assets less amount recognised in interest income	5,749	6,433
Fair value of scheme assets at end of year	74,594	68,127

Total cost of the scheme for the year analysed between the amounts recognised in the income and expenditure account and other comprehensive income:

Income and expenditure account	2020 £'000	2019 £,'000
Employment costs		
Current service cost	1,515	1,262
Investment income		
Interest income on scheme assets	(1,356)	(1,749)
Interest expense on scheme liabilities	1,473	2,081
Net interest on the net defined benefit pension liability	117	332
Total charge to income and expenditure	1,632	1,594

### NOTES TO THE FINANCIAL STATEMENTS (continued) YEAR ENDED 31 DECEMBER 2020

#### 18 POST-EMPLOYMENT BENEFITS (continued)

Remeasurement of the net defined benefit pension liability recognised in other comprehensive income		
	2020	2019
	£'000	£,'000
Return on scheme assets less interest on scheme assets		
recognised in the income and expenditure account	(5,749)	(6,433)
Actuarial loss/(gain)	8,503	715
Total amount recognised in other comprehensive income	2,754	(5,718)
Analysis of scheme assets		
	Fair values	
	2020	2019
	£'000	£,'000
Equity securities	19,415	18,886
Debt securities	51,165	40,191
Other (includes investments in diversified growth funds, alternatives and cash)	4,014	9,050
Total fair value of scheme assets	74,594	68,127

The return on scheme assets for the year was a gain of f7,105,000 (2019: gain of f8,182,000).

#### The principal actuarial assumptions used at the balance sheet date were:

	2020	2019	
	0/0	%	
Rate of increase in pensionable salaries	4.20	4.00	
Rate of increase in pensions in payment	3.20	3.00	
Rate of increase of deferred benefits	2.40	2.30	
Discount rate for scheme liabilities	1.40	2.00	
Rate of inflation (RPI/CPI)	3.20/2.40	3.00/2.30	

#### 2. Unfunded supplementation to historic pensioners of the National Union of Railwaymen

Benefit supplementation was awarded to certain historic members of the National Union of Railwaymen's Employees' Superannuation Fund to provide cost of living increases. The benefits are unfunded and are payable directly by the Union. No new members accrue further supplementation.

Independent actuaries appointed by the Union have valued the Union's obligations arising from these supplementation rights as at 31 December 2020. The result of this valuation is reported below.

Has the membership audit certificate been completed? (see Page i to iii and Notes 97 and 103)	Yes	M	No	1

### Checklist for auditor's report

(see notes 90 and 96)

The checklist below is for guidance. A report is still required either set out overleaf or by way of an attached auditor's report that covers the 1992 Act requirements.

1. In the opinion of the auditors or auditor do the accounts they have audited and which are contained in this return give a true and fair view of the matters to which they related? (See section 36(1) and (2) of the 1992 Act and notes 92 and 93)

Please explain in your report overleaf or attached.

- 2. Are the auditors or auditor of the opinion that the union has complied with section 28 of the 1992 Act and has:
  - a. kept proper accounting records with respect to its transactions and its assets and liabilities; and
  - b. established and maintained a satisfactory system of control of its accounting records, its cash holding and all its receipts and remittances. (See section 36(4) of the 1992 Act set out in note 92)

Please explain in your report overleaf or attached

3. Your auditors or auditor must include in their report the following wording:

In our opinion the financial statements:

- · give a true and fair view of the matters to which they relate to.
- have been prepared in accordance with the requirements of the sections 28,
   32 and 36 of the Trade Union and Labour Relations (consolidation) Act 1992.

# REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF THE NATIONAL UNION OF RAIL, MARITIME & TRANSPORT WORKERS

#### Opinion

We have audited the financial statements of the National Union of Rail, Maritime & Transport Workers ["The Union"] for the year ended 31 December 2020 which comprise the Income and Expenditure account, the Statement of Comprehensive Income, the Balance Sheet, the Statement of Changes in Equity, the Statement of Cash Flows and notes to the financial statements, including a summary of the significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- Give a true and fair view of the state of the Union's affairs as at 31 December 2020 and of its income and expenditure for the year then ended; and
- Have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice.

#### Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Union in accordance with the ethical requirements that are relevant to the audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Conclusions relating to going concern

In auditing the financial statements, we have concluded that the National Executive Committee's use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Union's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

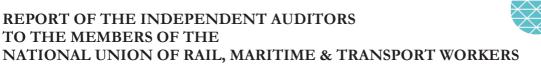

Our responsibilities and the responsibilities of the National Executive Committee with respect to going concern are described in the relevant sections of this report.

#### Other information

The National Executive Committee is responsible for the other information. The other information comprises the information included in the Report of the General Secretary and schedules attached to the financial statements other than the financial statements and our auditors report thereon. Our opinion of the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information we are required to report that fact.

We have nothing to report in this regard.

#### Matters on which we are required to report by exception

The Trade Union and Labour Relations (Consolidation) Act 1992 (Amended) requires us to report to you if, in our opinion:

- A satisfactory system of control over transactions has not been maintained; or
- The Union has not kept proper accounting records; or
- The financial statements are not in agreement with the books of account; or
- We have not received all the information and explanations we need for our audit.

We have nothing to report in this regard.

#### Responsibilities of the National Executive Committee

As explained more fully in the Statement of Responsibilities of the National Executive Committee, the National Executive Committee is responsible for the preparation of financial statements and being satisfied that they give a true and fair view, and for such internal control as the National Executive Committee determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the National Executive Committee is responsible for assessing the Union's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the National Executive Committee either intends to liquidate the Union or to cease operations, or have no realistic alternative but to do so.

#### Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in according with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

As part of our planning process:

- We enquired of management the systems and controls the Union has in place, the areas of the financial statements that are most susceptible to the risk of irregularities and fraud, and whether there was any known, suspected or alleged fraud. The Union did not inform us of any known, suspected or alleged fraud.
- We obtained an understanding of the legal and regulatory frameworks applicable to the Union. We determined that the following were most relevant: FRS 102 and the Trade Union and Labour Relations (Consolidation) Act 1992 (Amended).
- We considered the incentives and opportunities that exist in the Union, including the extent of management bias, which present a potential for irregularities and fraud to be perpetuated, and tailored our risk assessment accordingly.
- Using our knowledge of the Union, together with the discussions held with the Union at the planning stage, we formed a conclusion on the risk of misstatement due to irregularities including fraud and tailored our procedures according to this risk assessment.

# REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF THE NATIONAL UNION OF RAIL, MARITIME & TRANSPORT WORKERS

The key procedures we undertook to detect irregularities including fraud during the course of the audit included:

- Identifying and testing journal entries and the overall accounting records, in particular those that were significant and unusual.
- Reviewing the financial statement disclosures and determining whether accounting policies have been appropriately applied.
- Reviewing and challenging the assumptions and judgements used by management in their significant accounting estimates, in particular in relation to property valuations, valuation of unlisted shares, legal fees provision and the employee pension benefits liability.
- Testing key revenue lines, in particular cut-off, for evidence of management bias.
- Obtaining third-party confirmation of material bank and loan balances and investment balances.
- Documenting and verifying all significant related party balances and transactions.

HW FIBRUY WAR

• Reviewing documentation such as the National Executive Committee meeting minutes, for discussions of irregularities including fraud.

Owing to the inherent limitations of an audit, there is an unavoidable risk that we may not have detected some material misstatements in the financial statements even though we have properly planned and performed our audit in accordance with auditing standards. The primary responsibility for the prevention and detection of irregularities and fraud rests with those charged with governance of the Union.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at http://www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

#### Use of our report to the members of The Union

This report is made solely to the Union's members, as a body. Our audit work has been undertaken so that we might state to the Union's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Union and the Union's members as a body, for our audit work, for this report, or for the opinions we have formed.

#### Membership audit certificate

### made in accordance with section 24ZD of the Trade Union and Labour Relations (Consolidation) Act 1992

(See notes 97 to 103)

At the end of the reportign period proceding the one to which this audit relates was the total membership of the trade union greater than 10,000?

#### Yes

If "YES" please complete SECTION ONE below or provide the equivalent information on a separate document to be submitted with the completed AR21

If "NO" please complete SECTION TWO below or provide the equivalent information on a separate document to be submitted with the completed AR21

# Membership audit certificate Section one

For a trade union with more than 10,000 members, required by section 24ZB of the 1992 Act to appoint an independent assurer

1 In the opinion of the assurer appointed by the trade union was the union's system for compiling and maintaining its register of the names and addresses of its members satisfactory to secure, so far as is reasonably practicable, that the entries in its register were accurate and up-to-date throughout the reporting period?

#### Yes / No

2 In the opinion of the assurer has he/she obtained the inforamation and explanations necessary for the performance of his/her functions?

#### Yes / No

If the answer to **either** questions 1 or 2 above is "NO" the assurer must:

- (a) set out below the assurer's reasons for stating that
- (b) provide a description of the information or explanation requested or required which has not been obtained
- state whether the assurer required that information or those explanations from the union's officers, or officers of any of its branches or sections under section 24ZE of the 1992 Act
- (d) send a copy of this certificate to the Certification Officer as soon as is reasonably practicable after it is provided to the union.

Office held	
Date	

#### YEAR ENDED 31 DECEMBER 2020

#### INDEPENDENT ASSURER'S MEMBERSHIP AUDIT CERTIFICATE

### MADE IN ACCORDANCE WITH SECTION 24ZD OF THE TRADE UNION AND LABOUR RELATIONS (CONSOLIDATION) ACT 1992

#### Respective responsibilities of trade union and independent assurer

The Union is required by Section 24 of the Trade Union and Labour Relations (Consolidation) Act 1992 (Amended) ["the Act"] to maintain a register of the names and addresses of its members and, by section 24ZB of the Act, in respect of each reporting period to appoint a qualified independent person to be an assurer in relation to that period.

Our responsibilities as independent assurer are to provide the Union a membership audit certificate in relation to the reporting period which accords with the requirements of section 24ZD of the  $\Delta$ ct and to carry out such enquiries as we consider necessary to provide that certificate.

#### Basis of opinion

The evidence available to us in order to assess whether the Union's system for processing changes of member addresses had operated effectively throughout the reporting period was limited as a result of the Union's systems not requiring the retention of documentary evidence relating to member address changes once such changes have been processed.

#### Opinion of the independent assurer

In our opinion:

- (a) Except for the area described in the basis of opinion paragraph above in respect of which the evidence available to us was limited, the Union's system for compiling and maintaining the register of the names and addresses of its members was satisfactory for the purposes of complying with the union's duties under section 24(1) throughout the reporting period, and;
- (b) Solely in respect of the information described in the basis of opinion paragraph above where the information available to us was limited, we did not obtain all of the information and explanations which we considered necessary for the performance of our functions.
