

## **THE FORESTRY COMMISSION**

### **The Official Controls (Plant Health and Genetically Modified Organisms) (England) Regulations 2019**

#### **The Plant Health (*Phytophthora pluvialis*) (Demarcated Area No. 6) Notice**

A plant health inspector appointed by the Forestry Commissioners for the purposes of the Official Controls (Plant Health and Genetically Modified Organisms) (England) Regulations 2019 (“the Regulations”) has confirmed the presence of *Phytophthora pluvialis* on premises in the counties of Devon and Cornwall.

The Forestry Commissioners, in exercise of the powers conferred by regulation 17(2) of the Regulations, give the following notice:

#### **Citation**

1. This notice –
  - a) may be cited as the Plant Health (*Phytophthora pluvialis*) (Demarcated Area No.6) Notice; and
  - b) with effect from midday on 27th January 2022, revokes and replaces the Plant Health (*Phytophthora pluvialis*) (Demarcated Area No.4) Notice made at 09.00 on 3rd December 2021.

#### **Demarcated area**

2. Pursuant to regulation 17(2)(a) of the Regulations, the area in the counties of Devon and Cornwall within the boundary described in Annex 1, and shown depicted on the map in Annex 2, is demarcated.

#### **Restriction on felling susceptible material without prior notification**

3. Pursuant to regulation 17(2)(b) of the Regulations, a person must notify the Forestry Commission in advance in writing of their intention to fell any relevant susceptible material within the demarcated area.

#### **Prohibition on the movement of susceptible material**

4. Pursuant to regulation 17(2)(b) of the Regulations, no person may move any relevant susceptible material out of or within the demarcated area specified in this notice, unless authorised in writing by an inspector.

#### **Relevant susceptible material**

5. For the purposes of paragraph 3 above, relevant susceptible material means

- (a) the following material that has originated within the demarcated area –
- (i) any wood of the genus *Tsuga*, *Pseudotsuga*, *Pinus* and *Notholithocarpus*, other than in the form of wood packaging material or dunnage;
  - (ii) any isolated bark of the genus *Tsuga*, *Pseudotsuga*, *Pinus* and *Notholithocarpus*;
  - (iii) any trees of the genus *Tsuga*, *Pseudotsuga*, *Pinus* and *Notholithocarpus*, including felled or fallen trees, fruit, seeds, leaves or foliage.
- (b) any plants for planting of the genus *Tsuga*, *Pseudotsuga*, *Pinus* and *Notholithocarpus* that has originated or is residing within the demarcated area.

### **Commencement of prohibition**

**6.** The measures stipulated in this notice, apply on and after midday on 27<sup>th</sup> January 2022 until further notice.

Signed

A handwritten signature in black ink that reads "Richard Barker". The signature is written in a cursive style and is underlined with a single horizontal stroke.

Richard Barker  
Secretary to the Forestry Commissioners, 20<sup>th</sup> January 2022

## **ANNEX 1**

### **Description of the extent of the demarcated area**

The boundary begins on the A3082 Harbour Road at SX074530 where the road crosses the railway line. It follows Harbour Road northeast for 300m to SX075533 and then follows the coastline east to Bigbury on-Sea where Parker Road meets Marine Drive at SX650443.

From SX650443 the boundary follows the B3392 north to Bigbury continuing northwest to Seven Stones Cross at SX658490 and continuing northeast on this road until meeting the A379 at Harraton Cross SX672505.

From SX672505 the boundary follows the A379 west through Modbury, to Modbury Cross SX627520. From Modbury Cross the boundary follows the A3121 northeast to SX685577 where it follows the slip road north, meeting the A38 at SX686581.

The boundary follows the A38 northeast past Ashburton until the slip road leading onto the A383 at SX783718. It follows the A383 eastward through Newton Abbot until it reaches a roundabout crossing over the A380 at SX879730 and continues east along the A381. The A381 merges into the A379 at SX931730, which the boundary follows east and then north all the way until it reaches a junction with the A30 at SX920886.

It then follows the A30 northwest and then westward until an exit road at SX620950, following this road for 150 metres until it joins the B3260 at SX619950. It then follows the B3260 west through Okehampton until it reaches New Road Cross at SX576944.

At SX576944, the boundary follows the minor road Beacon Down Hill west until it joins the A386 at SX564945, it follows this road west until it meets the A3079 at SX559943. It then follows this road west, past Halwill Junction, until it meets a junction with the A3072 at SS405038.

The boundary follows the A3072 westward until it meets the A388 at SS345034, here it follows the A388 north into Holsworthy, re-joining the A3072 at SS343039. It follows the A3072 westward to Stratton where it meets the A39 at SS226065.

Here the boundary follows the A39 southwest, through Camelford, and towards Wadebridge. The boundary continues on the A39 past Wadebridge southward, until meeting the roundabout at SW927662.

At SW927662 the boundary follows the first exit onto the B3274 south to Lacey Green, east towards Pengelly at SW951645, continuing southeast on the B3274 through Tregonetha, and southeast to where the road crosses the A30 at SW977615.

The boundary follows the A30 east to the slipway for the A391 at SX026628. The boundary follows the A391 south towards Lockengate, then southwest to Bugle and then south to Stenalees.

At the roundabout at SX011567 the boundary follows the first exit continuing on the A391 southeast to the junction with the A390 Holmbush Road SX044528. It follows the A390 east to the next roundabout at SX050531 where it takes the second exit onto Par Moor Road A3082. The boundary continues on Par Moor Road until returning to where it crosses the railway line at SX074530.
