The NEU headquarters is disclosed at deemed cost. The freehold and leasehold properties of the ATL were transferred at fair value on the amalgamation of the NUT and ATL in September 2017. These properties were valued by CBRE and Wells McFarlane in June 2017. All other freehold and leasehold properties are disclosed at original cost less impairment. Impairments have been recognised in the year for properties where formal property valuations prepared as at 31 August 2021 have indicated that the value is less than the book cost. The most significant adjustment relates to the Northumberland Street office which has been sold post year end. Refer to Note 35 for further detail.

The freehold property used as Union Headquarters is subject to a first legal charge in favour of the National Education Union Pension Fund. Details of the current scheme position is shown in note 30. The open market value of this property in existing use was last assessed as at 31 January 2020 and amounted to £52.5m.

The investment property represents the proportion of the NEU headquarters which is rented to third parties and is valued to fair value at each balance sheet date, determined by an independent, professionally qualified RICs valuer. The last valuation was performed by Knight Frank LLP as at 31 August 2021. The valuation was in accordance with the requirements of the RICS Valuation – Global Standards, January 2020 (incorporating the IVSC International Valuation Standards) and the UK national supplement (the "Red Book"). Refer to the accounting policies for further detail in respect of the basis of the valuation. If investment property had been accounted for under the historic cost accounting rules, the property would have a NBV of £8,307,134, being cost of £10,478,000 and accumulated depreciation of £2,370,866.

The Union has provided for unfunded pension costs payable to certain employees and former employees, where the Union has agreed to fund the differential between the pension payable under either the Association of Teachers & Lecturers pension scheme and the NUT Superannuation Scheme. Note that these schemes have been merged in the year, further detail of which is provided in Note 30.

The Sustentation Fund, under the Rules of the Union, may be utilised to make sustentation payments to members involved in industrial action. It may also be utilised to defray the costs of certain campaigns undertaken by the Union to protect the salaries and conditions of service of members. The NEU contributes 1% of membership income towards this Fund with investment income also contributing.

The International Solidarity Fund was established to allow the Union to fund future international solidarity work.

The Political Fund was established to allow the Union to undertake campaigning of a political nature and is funded by voluntary member contribution.

The Hardship Fund was created as a direct response to the current COVID-19 pandemic. Members could apply for financial support should certain eligibility criteria be met. The Hardship Fund will be wound down in due course.

The District Fund represents the sum of funds held by local districts for local union work.

30 Employers' Pension Costs

Defined Benefit Pension Schemes

Until 1 July 2021, the Union operated two final salary pension schemes, National Union of Teachers Staff Superannuation Fund (NUTSSF) and the ATL Pension Scheme (ATLPS). Both schemes were open to new entrants. With effect from the 1 November 2018, new joiners were auto enrolled into the ATL Pension Scheme and provided with the option to elect to join the National Union of Teachers Staff Superannuation Fund.

On 2 July 2021, all assets and liabilities of the National Union of Teachers Staff Superannuation Fund were bulk transferred into the ATL Pension Scheme and the ATL Pension Scheme was renamed the NEU Pension Scheme.

The NEU Pension Scheme is a UK registered trust based pension scheme that provides defined benefits. Pension benefits accrued before 2 July 2021 are linked to the members' final pensionable salaries and service at their retirement (or date of leaving if earlier). The scheme is administered by Trustees and is independent of the Union's finances. Contributions are paid to the schemes in accordance with the Schedule of Contributions agreed between the Trustees and the employers at each actuarial valuation. The funding target is for the schemes to hold assets equal in value to the accrued benefits based on projected salaries. If there is a shortfall against the target, then the Union and Trustees agree on deficit contributions to meet the deficit over a period.

The Trustees are responsible for running the Scheme in accordance with the Scheme's Trust Deed and Rules, which sets out their powers. The Trustees of the Scheme are required to act in the best interests of the beneficiaries of the Scheme.

There are three categories of pension scheme members:

- Active members: currently employed by the NEU
- Deferred members: former active members of the Scheme
- and not yet in receipt of a pension
- Pensioner members: in receipt of pension.

The most recent actuarial valuation of the National Union of Teachers Staff Superannuation Fund was carried out as at 31 December 2017 and revealed a funding deficit of £8.8m. The Union agreed to pay 8.5% of pensionable salaries per annum from 1 January 2019 in respect of the deficit.

As part of the merger of the NUTSSF and ATLPS, the NEU agreed to continue these deficit contributions, at a rate of £1.1million pa, payable in quarterly instalments and also made a one-off contribution of £5m in July 2021. The NEU has now agreed to pay annual contributions of 26.1% of members' pensionable salaries into the NEU Pension Scheme from July 2021 onwards less contributions paid by members, in addition to the £1.1m pa deficit payments mentioned above. In total, the NEU expects to pay approximately £6.9million less member contributions to the Scheme during the accounting year beginning 1 September 2021.

The most recent actuarial valuation of the ATL Pension Scheme was carried out as at 30 September 2019 and revealed a funding surplus of £2.0m. The funding rate until 31 December 2020 was 24.5% (employee & employer), following the latest valuations the employer rate was increased by 1% from 1 January 2021 to a total contribution rate of 25.5%.

The actuarial valuations have been updated to 31 August 2021 by an independent qualified actuary in accordance with FRS102. As required by FRS102, the value of the defined benefit liabilities has been measured using the project unit method. The deficit has increased compared to the combined position at the previous year end, in part due to increased inflation assumptions. This increase is partly offset by the NEU's £5m contribution and better than expected return on investment assets.

The key FRS 102 assumptions used for the schemes are set out below along with the fair value of the assets, a breakdown of the assets into the main asset classes, the present value of the FRS 102 liabilities and the deficit of assets below the FRS 102 liabilities (the net pension liability).

35 Post Balance sheet events

In November 2021, contracts were exchanged for the sale of the Northumberland Street office, which is recognised as a property asset under Note 17 using the historic cost method. An adjustment has been made to the Net Book Value to reflect the difference between the book value and estimated fair value. The estimated fair value is deemed to be the sale price. The book value was higher than the sale price achieved, which resulted in a write down in value by £884k. The disposal will be reflected in the financial statements for the year ending 31 August 2022.

36. Help a Child to Learn

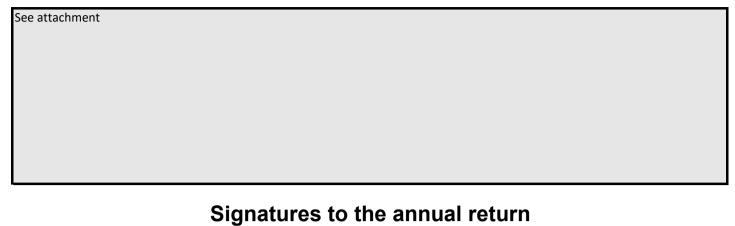

In recognition of the challenges faced by schools in England and Wales during the COVID-19 pandemic, the National Education Union and the Daily Mirror launched an appeal to supply learning materials for those pupils who do not have these remote learning essentials in their homes. This campaign was launched during the financial year ending 31 August 2021, and all schools expected to spend their vouchers by this year end, although there were some amounts spent after this date. In order to supply items to schools, the NEU contracted Viking and Hope Education to provide learning materials in the form of vouchers.

A total of £1.27 million was donated to the campaign by the NEU, NEU local structures, the public and private corporations. The donations were passed on to Viking and Hope Education to issue to eligible schools in the form of vouchers. The table below shows how £1.09m was spent by schools who used their vouchers. £179k of unspent funds were donated to the Save the Children charity, as agreed by the NEU Executive.

1 Accounting Policies

(a) Basis of preparation of financial statements

The National Education Union was formed on the 1 September 2017 following the amalgamation of the National Union of Teachers and the Association of Teachers and Lecturers. The assets and liabilities of the two unions were transferred to the National Education Union to form the opening position for the National Education Union. The Union's activities of the former unions have continued without interruption. The financial statements have therefore been prepared on a going concern basis and the Executive Committee consider that there are no material uncertainties about the Union's ability to continue as a going concern. Refer to 1(e) below.

The financial statements have been prepared under the historical cost convention, as modified by revaluation of fixed assets investments, and in accordance with Financial Reporting Standard 102.

(b) Income recognition

The financial statements are prepared on an accruals basis, whilst commissions are accounted for when the Union is notified of the sum due. Grants receivable for specific purposes are credited to the income statement to match the expenditure incurred on these projects to date. The balance is deferred into the following accounting period. Subscription income is accounted for on a receivable basis for the current year. All investment and rental income is credited to the general fund when receivable.

(c) **Designated funds**

All income and expenditure is credited/(charged) to the statement of comprehensive income. Transfers to/(from) designated funds are made for investment income earned on each fund's assets together with specific donations and, where relevant, apportionment of subscription income due to the funds net of any expenditure attributable to the funds. Reserves which are earmarked by the Union for specific purposes are termed Designated Reserves (note 27).

Subscribing members, who have opted in, contribute 1% of the full subscription fee to the Political Fund. Expenditure in connection with Political activities must be charged against this Fund.

(d) Defined benefit pension scheme

The surplus or deficit arising on the Union's defined benefit Pension Scheme is disclosed on the Union's statement of financial position. Movements on the Pension Scheme, asset or liability, are reflected through the statement of comprehensive income to the extent that they relate to employer's current service costs (which is reflected as a component of Staff Costs) or movements arising from expected returns on Pension Scheme assets net of interest on Pension Scheme liabilities which is disclosed as a component of Other Income). Movements arising from changes in actuarial assumptions, including differences between the actual returns on Scheme assets and the expected returns and experience gains/ (losses) arising on the Scheme's liabilities are reflected through the statement of comprehensive income.

1 Accounting Policies (continued)

(e) Going Concern

The officers of the Union have considered their obligation to prepare these financial statements on an appropriate basis, having regard to the Union's financial position as at the year end and with reference to budgets and forecasts for the 2022 financial year, extended for the 12 month period from the anticipated date of signing the accounts. Management are confident that the accounts should be prepared as a going concern, taking into account estimated subscription income based on a review of membership numbers, projected expenditure and reserve levels. Despite the difficulties facing many organisations during the COVID-19 Pandemic, the NEU has maintained its income and increased its membership numbers through our continued support of members. This, coupled with the reduced expenditure due to lockdowns, has resulted in an increased cash balance for the Union which will be was further increased after the year end following the completion of the sale of the Northumberland Street office.

The Union has complete its pension scheme review, in order to better manage the ongoing costs and liabilities. Further details are provided in the Pension note.

(f) **Corporation taxation**

As an unincorporated association, the National Education Union is liable to Corporation Tax on its investment income and realised gains on investments sold. As a trade union, relief is available in respect of provident benefits expenditure, as statutorily defined.

(g) Deferred tax

Deferred tax is provided on all material reversing timing differences which arise from transactions reflected through the statement of comprehensive income. Deferred income tax is determined based on the rates expected to apply at the date of reversal, using tax rates and laws that have been enacted or substantively enacted by the reporting date.

(h) **Operating leases**

Rentals payable on operating leases are reflected in their entirety through the statement of comprehensive income.

(i) Fixed assets

Fixed assets are initially recognised at cost. Items over \pounds 1,000 either individually or purchased in bulk, which meet the definition of a fixed asset are capitalised. Depreciation is calculated to write down the cost of fixed assets to estimated realisable values on a straight-line basis over the expected useful lives of the assets concerned.

The principal annual rates are:

| Freehold property | | | 2% on cost excluding land |
|-------------------------|------------|---|---|
| Leasehold improve | ments | - | Over the balance of the property's expected |
| | | | useful life |
| Leasehold property | 1 | - | Over the period of the lease (or 50 years if shorter) |
| Plant and machine | r y | - | 10% |
| Furniture and equipment | office | - | At varying rates of between 10% and 331/3% |

The proportion of the NEU's headquarters which is rented out to third parties is held at fair value at the balance sheet date in accordance with FRS 102. Fair value is reviewed annually by external valuers on the basis of a collation and analysis of appropriate comparable investment and rental transactions, together with evidence of demand within the vicinity of the subject property. No depreciation is charged. The value of the investment property is provided as an accounting estimate.

(j) Intangible assets

Significant expenditure on computer software is capitalised as an intangible asset and stated at cost less accumulated amortisation and impairment. Amortisation is charged on a straight line basis over the estimated useful economic life of the software of 5 years and charged to administration expenses. Amortisation is only charged once the software has been brought into use.

(k) Investments

Listed investments are disclosed at mid-market values at the statement of financial position date. Unquoted investments are disclosed at fair value. Realised and unrealised gains or losses on listed investments are reflected in the Professional Sustentation Fund or the General Fund as appropriate. Realised gains or losses on disposals of investments are calculated by reference to the carrying value of those investments reflected at the amalgamation date.

(I) Critical accounting assumptions and judgements

The preparation of financial statements requires management to make judgements, estimates and assumptions in the application of accounting policies that affect the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. Estimates and judgements are continuously evaluated and are based on historical experience and other factors including expectations of future events that are believed to be reasonable. Revision to accounting estimates are recognised in the period in which the estimates are revised, and any future period affected.

In preparing these financial statements, the Union has made the following judgements:

• Determine whether leases entered by the Union either as lessor or a lessee are operating lease or finance leases. These decisions depend on an assessment of whether the risks and rewards of ownership have been transferred from the lessor to the lessee on a lease by lease basis.

Determine whether there are any indicators of impairment of the Union's tangible fixed assets or investments. Factors taken into consideration in reaching such a decision include the economic viability and expected future financial performance of the asset and where it is a component of a larger cash-generating unit, the viability and expected future performance of that unit.

(I) Critical accounting assumptions and judgements

Key sources of estimation uncertainty are as follows:

• Tangible fixed assets (see note 17) - the basis of calculation and assumption used to perform revaluation and useful economic life of assets used in calculating depreciation. The Union reviews non-current assets each year for impairment, in line with accounting standards.

Investment property (see note 17(a)) - investment properties are professionally valued annually using a yield methodology. This uses market rental values capitalised at a market capitalisation rate but there is an inevitable degree of judgement involved in that each property is unique and value can only ultimately be reliably tested in the market itself.

- Pension Costs (see note 30) the cost of each of the defined benefit pension schemes is determined using an actuarial valuation. The actuarial valuation involves making assumptions about discount rates, future salary increases, mortality rates and future pension increases. Due to the complexity of the valuation, the underlying assumptions and the long term nature of these plans, such estimates are subject to significant uncertainty. In determining the appropriate discount rate, management considers the interest rates of corporate bonds in the respective currency with at least AA rating, with extrapolated maturities corresponding to the expected duration of the defined benefit obligation. The underlying bonds are further reviewed for quality, and those having excessive credit spreads are removed from the population bonds on which the discount rate is based, on the basis that they do not represent high quality bonds. The mortality rate is based on publicly available mortality tables for the specific country. Future salary increases and pension increases are based on expected future inflation rates.
- Investments (see note 18) quoted investments are disclosed at mid-market values at the Statement of Financial Position date.

Checklist for auditor's report

(see notes 90 and 96)

The checklist below is for guidance. A report is still required either set out overleaf or by way of an attached auditor's report that covers the 1992 Act requirements.

1. In the opinion of the auditors or auditor do the accounts they have audited and which are contained in this return give a true and fair view of the matters to which they related? (See section 36(1) and (2) of the 1992 Act and notes 92 and 93)

Please explain in your report overleaf or attached.

2. Are the auditors or auditor of the opinion that the union has complied with section 28 of the 1992 Act and has:

a. kept proper accounting records with respect to its transactions and its assets and liabilities; and

b. established and maintained a satisfactory system of control of its accounting records, its cash holding and all its receipts and remittances. (See section 36(4) of the 1992 Act set out in note 92)

Please explain in your report overleaf or attached

3. Your auditors or auditor must include in their report the following wording:

In our opinion the financial statements:

• give a true and fair view of the matters to which they relate to.

• have been prepared in accordance with the requirements of the sections 28, 32 and 36 of the Trade Union and Labour Relations (consolidation) Act 1992.

See attached audit report

| Signature(s) of auditor or auditors: | BDO LLP | |

N.B. When notes to the account are referred to in the auditor's report a copy of those notes must accompany this return.

Independent Auditor's Report to the National Education Union

Opinion

In our opinion, the financial statements:

- give a true and fair view of the state of the Union's affairs as at 31 August 2021 and of its result for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Trade Union and Labour Relations (Consolidation) Act 1992.

We have audited the financial statements of the National Education Union (the 'Union') for the year ended 31 August 2021 which comprise the Statement of Comprehensive Income, Statement of Financial Position, Cash Flow Statement and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (United Kingdom Generally Accepted Accounting Practice).

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Union in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

We are independent of the Union in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Executive Committee's use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Union's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Executive Committee with respect to going concern are described in the relevant sections of this report.

Other information

The Executive Committee is responsible for the other information. The other information comprises the information included in the Report of the Senior Deputy General Secretary, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters to which the Trade Union and Labour Relations (Consolidation) Act 1992 requires us to report to you if, in our opinion:

- proper accounting records have not been kept in accordance with the requirements; or
- the Union has not maintained a satisfactory system of controls over its transactions in accordance with the requirements; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of the Executive Committee

As explained more fully in the Statement of Executive Committee's Responsibilities, the Executive Committee is responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Executive Committee determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Executive Committee is responsible for assessing the Union's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Executive Committee either intend to liquidate the Union or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Extent to which the audit was capable of detecting irregularities, including fraud

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

As part of designing our audit, we determined materiality and assessed the risks of material misstatement in the financial statements, including how fraud may occur by enquiring of management of its own consideration of fraud. We gained an understanding of the legal and regulatory framework applicable to the Union and the industry in which it operates, drawing on our broad sector experience, and considered the risk of acts by the Union that were contrary to these laws and regulations, including fraud. We focused on laws and regulations that could give rise to a material misstatement in the financial statements, including, but not limited to, the Trade Union & Labour Relations Act 1992 and UK tax legislation.

In particular, we looked at where management made subjective judgements, for example in respect of significant accounting estimates that involved making assumptions and considering future events that are inherently uncertain. We also considered potential financial or other pressures, opportunity and motivations for fraud. As part of this discussion we identified the internal controls established to mitigate risks related to fraud or non-compliance with laws and regulations and how management monitor these processes. Appropriate procedures included the review and testing of manual journals and key estimates and judgements made by management.

We made enquiries of management with regards to compliance with the above laws and regulations and corroborated any necessary evidence to relevant information, for example, minutes of Executive Committee meetings. Our tests included agreeing the financial statements disclosures to underlying supporting documentation and enquiries with management.

We also completed the following procedures:

- Performed analytical procedures to identify any unusual or unexpected relationships that may indicate risks of material misstatement due to fraud;
- In addressing the risk of fraud through management override of controls, we tested journal entries and other adjustments for inappropriate or unusual journals outside of our expectations, as well as for any significant transactions outside the normal course of business, taking into consideration the scope for management to manipulate financial results through more complex areas of the financial statements;
- Assessed the appropriateness of key estimates and judgements made by management and challenged the assumptions used in accounting estimates. We considered the key estimates to be the valuation of the defined benefit pension scheme liability and the carrying value of debtor balances.

Our audit procedures were designed to respond to risks of material misstatement in the financial statements, recognising that the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery, misrepresentations or through collusion. There are inherent limitations in the audit procedures performed and the further removed non-compliance with laws and regulations is from the events and transactions reflected in the financial statements, the less likely we are to become aware of it.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Councils website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of our report

This report is made solely to the National Education Union, as a body, in accordance with the provisions of the Trade Union and Labour Relations (Consolidation) Act 1992. Our audit work has been undertaken so that we might state to the Union those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Union as a body, for our audit work, for this report, or for the opinions we have formed.

Docusigned by: Bun (owrts BD^{2696D69944}Statutory auditor London, UK

Date 17 February 2022

BDO LLP is a limited liability partnership registered in England and Wales (with registered number OC305127).

Membership audit certificate

made in accordance with section 24ZD of the Trade Union and Labour Relations (Consolidation) Act 1992

(See notes 97 to 103)

At the end of the reportign period proceeding the one to which this audit relates was the total membership of the trade union greater than 10,000?

Yes

If "YES" please complete SECTION ONE below or provide the equivalent information on a separate document to be submitted with the completed AR21

If "NO" please complete SECTION TWO below or provide the equivalent information on a separate document to be submitted with the completed AR21

Membership audit certificate

Section one

For a trade union with more than 10,000 members, required by section 24ZB of the 1992 Act to appoint an independent assurer

1 In the opinion of the assurer appointed by the trade union was the union's system for compiling and maintaining its register of the names and addresses of its members satisfactory to secure, so far as is reasonably practicable, that the entries in its register were accurate and up-to-date throughout the reporting period?

Yes

2 In the opinion of the assurer has he/she obtained the inforamation and explanations necessary for the performance of his/her functions?

Yes

If the answer to either questions 1 or 2 above is "NO" the assurer must:

- (a) set out below the assurer's reasons for stating that
- (b) provide a description of the information or explanation requested or required which has not been obtained
- (c) state whether the assurer required that information or those explanations from the union's officers, or officers of any of its branches or sections under section 24ZE of the 1992 Act
- (d) send a copy of this certificate to the Certification Officer as soon as is reasonably practicable after it is provided to the union.
