To all local authorities in England

Dear colleagues,

**S31 Extended Personal Adviser Duty Implementation Grant (New Burdens)  
Determination Letter 2022/25 [Ref: project\_6831] [No 31/6004]**

This Determination is made between:

- (1) **The Parliamentary Under Secretary of State for Children and Families**  
and
- (2) **The local authorities listed at Annex A**

**Purpose of the grant**

The Children and Social Work Act 2017 introduced a new duty on local authorities, requiring them to offer Personal Adviser support to all care leavers up to age 25. This duty came into force on 1 April 2018.

The purpose of this grant is to provide support to local authorities in England, to help them to meet the requirements of this duty, in response to young people that may request such support from the local authority after the age of 21 and up to their 25<sup>th</sup> birthday.

Local authorities can spend this grant to support the costs associated with meeting this duty. In doing so, they should take account of the statutory guidance [Extending Personal Adviser support to all care leavers to age 25](#) published on 26 February 2018, to help local authorities implement this extended duty.

The methodology for allocating the funding was published on 26 February 2018. A copy is available at <https://www.gov.uk/government/publications/extending-personal-adviser-support-to-25-new-burdens-assessment>.

Annex A attached includes the amount of funding awarded to each local authority for 2022/25.

Signed by authority of the Parliamentary Under Secretary of State for Children and Families.

Yours sincerely,

Sarah Jennings (Deputy Director)
