

# Payroll – Private Sector

## Requirements

- Data submitted should meet this data specification i.e. include all of the field names listed below
- Current employees from all payrolls (for example, monthly, weekly, and quarterly) should be provided. However, data **should not** be provided in respect of payrolls processed for other organisations on an agency basis unless:
  - this has been authorised by the organisation; and
  - the organisation/arm's length body/agency has confirmed that Privacy Notices (PN) have been issued (please refer to the NFI Code of Data Matching Practice)
- Ensure a single file for each organisation is uploaded
- Ensure that there is only a single record for each employee i.e. details for individual employees with more than one post should be merged into one record. For example, for employees with multiple posts 'Gross pay to date' and 'Standard hours per week' for each post should be added together to give aggregated totals for those two fields. Other fields such as 'Date started', 'Sort code' and 'Bank account' should be provided from the main (highest earnings) post
