

# Grenfell Tower site update: summary of community online meeting

## Grenfell Tower site update: summary of community online meeting

At our Grenfell Tower site community online meeting on 29 March 2022, we provided an update on maintenance and safety works at the tower. This included the installation of 'props' (metal supports) in the basement, asbestos removal – the majority of which is now complete – replacement of the tower wrapping, and details about contractor procurement. In addition, we gave an update on activities happening close to the site, including the electricity substation relocation. There was also an opportunity to find out about local opportunities available from the Grenfell Tower site principal contractor, DUK. You can find out more about these at [www.degroupp-community.uk](http://www.degroupp-community.uk)

If you were unable to attend, you can [watch a video of the meeting](#) on the DLUHC YouTube channel.

## Our next meeting

**Our next community online meeting is on Tuesday 3 May, 6pm to 7pm**

- **Join with weblink:** [msteams.link/YYRQ](https://msteams.link/YYRQ) (using Microsoft Teams)
- **Or join by phone:** dial [020 3795 5763](tel:02037955763) and enter conference ID 554 436 088#

There are opportunities to ask questions at these meetings.

## How to get in touch

We are available for conversations with you or your family and to provide any further information that you might want.

- Email [GrenfellTowerSite@levellingup.gov.uk](mailto:GrenfellTowerSite@levellingup.gov.uk)
- Phone [0303 444 0011](tel:03034440011)
- Go to [www.gov.uk/grenfell-community-updates](http://www.gov.uk/grenfell-community-updates) or scan the QR code below and click on 'Get in touch'

The digital signs around the site contain the latest information about the tower.
