and/or
- ⁽²⁾[III.4 The animal products are derived from animals that have been handled in the slaughterhouse before and at the time of slaughter or killing under conditions at least equivalent to standards and requirements applicable in Great Britain under retained EU law.]
and/or
- ⁽³⁾⁽⁴⁾[III.5 The undersigned officer certifies this consignment on the basis of Eligibility Document(s) (ED) issued on, which were ascertained by him or her and were issued prior to the departure of the consignment.]

Notes

This health certificate is for veterinary purposes only.

References to European Union legislation within this certificate are references to direct EU legislation which has been retained in Great Britain (retained EU law as defined in the European Union (Withdrawal) Act 2018).

References to Great Britain in this certificate include Channel Islands and Isle of Man.

Part I:

- Box reference I.6: Complete only in case of transit through Great Britain.
- Box reference I.8: Region of origin: if applicable, otherwise must be crossed out: for animal species or for products affected by the regionalisation measures or by the setting up of approved zones in accordance with retained EU law. The names of the approved regions and the zones (production areas in case of frozen or processed bivalve molluscs) must be entered as per EU retained law.
- Box reference I.12: Complete only in case of storage of products in transit: name and address (street, town and postal code) and the approval or registration number of the warehouse in a free zone, the customs warehouse or the ship supplier.
- Box reference I.14: For live animals: enter the date and time at which the animals are scheduled to depart in their means of transport (airplane, ship, railway or road vehicle).
For animal products: indicate the date of departure of the means of means of transport (airplane, ship, railway or road vehicle).
- Box reference I.18: Complete only in case of animal products.
- Box reference I.19: Enter the 'Total gross weight (kg)' and 'Total net weight (kg)'.

**Live animal and animal products
from New Zealand (NZ)
GBHC166**

II.a. Certificate reference no.	II.b.
--	--------------

- Box reference I.21: If applicable, enter the identification number of the container and the seal number.
- Box reference I.22: Enter the purpose of import of live animals or intended use for animal products (the available options will vary in accordance with the specific certificate in Great Britain import requirements).
- Box reference I.23: Complete only in case of transit through Great Britain.
- Box reference I.24: Complete only in case of importation or temporary admission to Great Britain.
- Box reference I.25: Use the appropriate Harmonised System (HS) code.
- For animal products: Species, nature of commodity, approval number of establishments (e.g. abattoir, processing plant, cold store), batch number, number of packages, type of packages, net weight (the available options will vary in accordance with the specific certificate in Great Britain import requirements). Those products may, in accordance with the entry 'Re-exports of imported animal products' of Chapter 27 of Annex V to Decision 2015/1084 come from establishments from third countries other than New Zealand.
- For germinal products: Species, breed/category, identification number of the donor, identification number/code of the straw, collection date, approval number of the centre/team, quantity.
- For live animals: species, breed/category, identification method, identification number, age, sex, quantity/net weight.

Titles and entries of the boxes may be aligned to the specific certificate of the import requirements of Great Britain.

Part II:

- (1) Only to be completed if special conditions apply. Otherwise delete.
- (2) Only for animal products derived from animals covered by Regulation (EC) No 1099/2009. Otherwise delete.
- (3) Only to be completed when the official health certificate is issued after the departure of the consignment. Specify reference to the appropriate Eligibility Documents (ED). Otherwise delete.
- (4) Only to be completed when the health certificate has been issued after the departure of the consignment. Insert date. Otherwise delete.
- (5) Delete as appropriate.
