

The information you need to provide when submitting a voluntary National Security and Investment (NSI) Act notification

This document contains all the questions you'll be asked when completing a voluntary notification. It can help you collect all the information you need before submitting your notification.

You can also read [NSI Act guidance](#) if you need information about how to answer the questions.

Some questions may not be relevant to your situation. For example:

- if you're an acquirer who's submitting the notification, you will not need to provide information about your representative
- if you say there are no key dates related to the acquisition, you will not need to provide further information about key dates
- if your notification relates to a qualifying entity, you will not need to give provide information about a qualifying asset

Once you've collected all the information, you'll need to enter it into the [Submit a National Security and Investment notification](#) service.

You will not be able to submit this information by post or email without prior permission from the Investment Security Unit (ISU).

To request permission, you can contact the ISU at investment.screening@beis.gov.uk.
