- 17.10 The LAA may immediately terminate this Contract where the Peer Reviewer has been requested to provide samples of the Peer Reviewer's own case work, for assessment under the Independent Peer Review Process, but has failed to do so within the (reasonable) time period stipulated by the LAA.
- 17.11 The LAA may immediately terminate this Contract where the Peer Reviewer's own case work is found not to meet the "Competence Plus" (2) or "Excellence" (1) standard, by the method set out in Schedule 1.
- 17.12 Where either the LAA or the Peer Reviewer exercise their right of termination under clause 17, notwithstanding such termination, at LAA's sole option, the Peer Reviewer shall remain under an obligation to complete promptly any outstanding Contract Work begun prior to the date on which the Contract terminated and any representations or appeals work which relates to Contract Work which the Peer Reviewer carried out prior to the date on which the Contract terminated, subject to direction to do so by the LAA.

- 17.14 Unless LAA directs otherwise, the Peer Reviewer shall be immediately and automatically be suspended from the Panel of Peer Reviewers and this will mean that the Peer Reviewer will not be offered any Contract Work for the period of any such

suspension if at any time the Peer Reviewer ceases to meet one or more of the essential requirements specified in Schedule 1; or

17.17 Where the LAA is entitled to terminate this Contract it may, at its sole discretion, terminate any part of it or suspend the Contract or any part of it for such time as is considered reasonable without waiving its right to terminate the Contract at a later date for the reasons relied upon to suspend the Contract provided that we may not terminate the Contract or such other agreement in part to the extent that that part of the Contract or agreement remaining after such termination would constitute a new award of a contract for the purposes of the Public Contracts Regulations 2015 (as applicable). For the avoidance of doubt, this does not prevent us terminating all of the Contract Work or work or services covered by the Information for Candidates. We will set out the

effects of any suspension (which will be less serious than termination) in the notice to you.

- 17.18 Any provision of this Contract which relates to or governs your or our acts after it (or any part of it) ends, remains in full force and effect and is enforceable even though it has ended.

- (d) Opportunities to become Senior Peer Reviewers will be offered throughout the Contract Period to ensure that where Peer Reviewers' experience has grown, that they are included where appropriate, as Senior Peer Reviewers.

PART C. CONTRACT WORK – SPECIFICATION

1. Requirement

- (a) Whilst there is no guarantee as to the volume of Contract Work which will be required under this Contract, the LAA's reasonable estimate of the requirement on the Peer Reviewer is for:
 - (i) a minimum of twenty-four (24) days' Contract Work (including assessment and reports) per year;
 - (ii) the Peer Reviewer may be required to carry out more than the estimated twenty-four (24) days' Contract Work during each year of the Initial Term (particularly if they are also a Senior Peer Reviewer); and
 - (iii) "year" means any twelve (12) month period beginning on the Contract Start Date (or any anniversary of the Contract Start Date).
- (b) The Peer Reviewer must use all reasonable endeavours to schedule two (2) days' Contract Work each month – as it is important that the LAA Peer Review Team can maintain peer review capacity throughout each year. The Peer Reviewer will be requested by the LAA Peer Review Team, on a rolling monthly basis, to complete and record their availability for Contract Work on doodle poll, or equivalent as detailed by the LAA Peer Review Team. Failure to complete the doodle poll or equivalent as detailed by the LAA Peer Review Team as required under the Contract may hinder the allocation of Contract Work.
- (c) Where the Peer Reviewer has good reason for not being able to schedule two (2) days' Contract Work in a particular month, they must schedule those days in other months with the prior agreement of the LAA. In addition, the Peer Reviewer must deal with any representations within five (5) working days of meeting to consider a Provider's representations. Where the Peer Reviewer is not or becomes aware at any time that they will not be able to commit to twenty-four (24) days of Contract Work in any year of this Contract then the Peer Reviewer shall promptly, on becoming aware of such limitations, inform the LAA Peer Review Team, giving reasons for this limited capacity. The LAA shall then decide, at its sole and absolute discretion, whether it wishes to allow the Peer Reviewer to continue to be a Peer Reviewer and whether the terms of this Contract should be amended to address such limited capacity, or whether the Contract should be suspended or terminated. Contract Work must be carried out in accordance with the terms of the Contract,

the LAA's Independent Peer Review Process Document and any other guidance provided to the Peer Reviewer by the LAA Peer Review Team from time to time.

2. Training, assessment and verification of competency and consistency of Peer Reviewers

- (a) It is compulsory for the Peer Reviewer to attend training sessions – including consistency update training by the LAA Peer Review Team. If the Peer Reviewer fails to meet this requirement, they will be immediately and automatically suspended from the Panel of Peer Reviewers (unless the LAA, at its sole and absolute discretion, directs otherwise).
- (b) In order to demonstrate the Peer Reviewer's own expertise in their Specialist Category, a sample of their own case work will be peer reviewed at least once every three (3) years and if the Provider for which the Peer Reviewer carries out work receives a "Competence" (3), "Below Competence" (4), or "Failure in Performance" (5) Peer Review Process rating. The LAA will temporarily suspend the Peer Reviewer from the Panel of Peer Reviewers until the outcome of the Peer Review is known. The LAA may immediately terminate this Contract where the Peer Reviewer's own case work is found not to meet the "Competence Plus" (2) or "Excellence" (1) standard.
- (c) The IALS Team will undertake the training, assessment and verification of the competency and consistency of Peer Reviewers (and the related requirements on Peer Reviewers) and any guidance provided to the Peer Reviewer by the LAA Peer Review Team.

3. Scheduling and completion of Contract Work

- (a) The dates on which LAA proposes to hold peer review sessions will be notified in advance and the date(s) on which the Peer Reviewer shall attend those sessions will be agreed between the LAA Peer Review Team and the Peer Reviewer jointly (both acting reasonably). The sessions will be carried out remotely.
- (b) For the avoidance of doubt, in circumstances where the Peer Reviewer has completed all the other Contract Work they have been assigned to carry out during the scheduled days, they may be required to undertake related work, during the remaining time left in any such session(s).
- (c) If, whilst conducting Contract Work, it becomes apparent to the Peer Reviewer that they will need to spend longer than the original number of days booked they must notify the LAA Peer Review Team as soon as this becomes apparent and provide reasons. The LAA would usually expect the Peer Reviewer to complete the Contract within two (2) weeks of the original booking.
- (d) It is LAA's reasonable expectation that the peer review will generally take one and a half (1.5) days/ten point five (10.5) hours depending on the complexity and volume of the case files peer reviewed. It is the LAA's reasonable expectation that writing the peer review report will generally take a further three point five (3.5) hours, depending on the content and complexity of the report produced. Therefore a maximum of fourteen (14) hours may be claimed per peer review. Prior approval must be sought by the Peer Reviewer from the LAA Peer Review Team once it

becomes apparent that the Contract work will exceed the hours detailed in Schedule 2. Failure to do so may lead to a reduction in the payment of the Attendance Fee and Expenses Claim.

- (e) The Peer Reviewer shall comply with the timescales for completion of Peer Review reports and for the other elements of Contract Work as notified to them from time to time. The Peer Reviewer shall present their reports in accordance with the guidance on peer review reports in the Independent Peer Review Process Document and in training and mentoring sessions, any variations to that guidance communicated through update training or any other method.
- (f) As it is essential that Contract Work is scheduled and completed in accordance with the required timescales set out in Schedule 2 Part A, the Peer Reviewer is required to have (at all times) and to notify to the LAA Peer Review Team of, a current personal and secure email address and to check their email coming into that address at least once every five (5) days. Failure to comply with these timescales may result in the right to payment for delayed work being withheld by the LAA in accordance with clause 8.3.

PART D. DEVELOPMENT AND PROJECT WORK - SCOPE

This element of the Contract Work is related either to the Independent Peer Review Process itself or the development of additional quality assessment processes. It is an optional element of Contract Work, the detailed scope of which is to be agreed between the LAA and the Peer Reviewer.

By way of example, Development and Project Work may include:

- (a) providing training to other Peer Reviewers and LAA caseworkers;
- (b) attending meetings and workshops at the request of the LAA Peer Review Team or on their behalf;
- (c) developing guidance on best practice;
- (d) meeting with LAA staff, the IALS Team and other Peer Reviewers to develop projects related to the Independent Peer Review Process;
- (e) assisting with ongoing development of the Independent Peer Review Process;
- (f) preparing for and delivering presentations at workshops organised by the LAA Peer Review Team; and
- (g) assisting in the development of materials and tools for peer review training purposes, for example condensed peer review documents.

PART E. DEVELOPMENT AND PROJECT WORK - SPECIFICATION

1. Requirement

- (a) From time to time, the Peer Reviewer may be invited by LAA to take part in Development and Project Work.
- (b) For the avoidance of doubt, any Development and Project Work agreed between the Peer Reviewer and LAA is in addition to the requirement for Contract Work (as described in this Schedule 2).
- (c) Where the Peer Reviewer agrees to carry out such Development and Project Work, the Peer Reviewer shall carry out that Development and Project Work at all times

in accordance with the terms of this Contract, as agreed on a project by project basis with the LAA and in accordance with any other guidance provided to the Peer Reviewer from time to time.

SCHEDULE 3

ATTENDANCE FEES AND EXPENSES AND INVOICING PROCEDURE

1. Attendance Fees for Contract Work

- (a) Attendance Fees for Contract Work are paid at the following rates:
- (i) Hourly rate of £53.57 per hour (applied pro rata for parts of the hour);
 - (ii) £375.00 per day (seven (7) hours); and
 - (iii) £187.50 per half day (three point five (3.5) hours).

The key elements of Contract Work and any additional requirements relating to Attendance Fee and Expenses Claims are set out below:

- (b) Peer review: Time spent peer reviewing files, completing the associated Peer Review report and at any cross-checking, consistency or benchmarking review session. For the avoidance of doubt, no claim may be made in respect of any peer review carried out until the completion of the Independent Peer Review Process.
- (d) Representations from Providers: Considering representations at a meeting arranged for this purpose and preparing a final peer review report at or following the meeting in response (either in the capacity of “original Peer Reviewer” or Senior Peer Reviewer). For the avoidance of doubt no claim may be made for consideration of representations until completion of the Independent Peer Review Process.
- (e) Update and training sessions: Mandatory attendance at any training/update sessions organised by the LAA.
- (e) Senior Peer Reviewer validation of peer review reports and responses to representations – hourly rate of £53.57. This rate assumes that one peer review report takes a maximum of one (1) hour to validate. In the event that a Senior Peer Reviewer, acting reasonably, takes longer than one hour to validate a peer review report and wishes to claim more than one (1) hour for validating such a report then that Senior Peer Reviewer shall give clear and detailed reasons for such a claim to the LAA Peer Review Team and the LAA shall, at its sole discretion, determine whether such additional time shall be reimbursed.
- (f) Preparation for attendance at appeal committee meetings and the drafting of any written statement in support of the peer review carried out by the Peer Reviewer for submission to an appeal committee or in response to representations made by Providers other than as part of a day or days’ session as provided for at paragraph 1b to Schedule 3. The time actually spent by the Peer Reviewer in reviewing documentation or drafting a statement, (in each case at LAA’s request) subject to a maximum of three (3) hours’ work, shall be payable at the hourly rate of £53.57 (unless LAA has agreed in writing to extend the maximum time which may be claimed for any such preparatory work before the Peer Reviewer undertakes it).
- (g) For the avoidance of doubt, the three (3) hour cap applies as a separate cap in relation to each preparatory work “task” within the scope of this bullet point which the Peer Reviewer is required by LAA to undertake.

- (h) Attendance at appeal committee meetings: Fees are payable at two levels:
- (i) a half-day rate (£187.50) shall be payable for the Peer Reviewer's attendance of up to three point five (3.5) hours at appeal committee meetings.
 - (ii) a full-day rate (£375.00) shall be payable for the Peer Reviewer's attendance of over three point five (3.5) hours at appeal committee meetings.
- (i) Development and Project Work payable at either daily rate of £375.00, half day rate of £187.50 or at hourly rate of £53.57 (pro rata for parts of the hour) as notified in advance by LAA to the Peer Reviewer.

2. Exclusions from Fees

- (a) For the avoidance of doubt any time spent by the:
- (i) Peer Reviewer travelling; or
 - (ii) Peer Reviewer's personal support staff, assisting the Peer Reviewer in the performance of Contract Work as permitted by LAA,

is not included within the definition of Contract Work and will not, therefore, be paid for by the LAA unless, in exceptional circumstances, the LAA specifically authorises such arrangements in writing in advance of the work being undertaken.

3. Cancellation of scheduled Contract Work

- (a) While Fees are paid for Contract Work actually performed by the Peer Reviewer, the LAA recognises that certain unavoidable events occur from time to time which mean that the Contract Work which the Peer Reviewer was scheduled to carry out may not be performed due to no fault of the Peer Reviewer. Examples of these events are where:
- (i) a conflict of interest between the Provider and the Peer Reviewer in respect of the Closed Files being peer reviewed by the Peer Reviewer is identified part-way through the peer review itself;
 - (ii) in error, more than one Peer Reviewer has been booked to carry out the same peer review; and
 - (iii) Closed Files for peer review have not arrived on time for a scheduled Peer Review.
- (b) In these circumstances, (and other similar circumstances at LAA's (reasonable) discretion) where the LAA Peer Review Team are not able to find alternative Contract Work for the Peer Reviewer to perform, where the LAA Peer Review Team notify the Peer Reviewer of the cancellation at least forty-eight (48) hours before the Contract Work was scheduled to begin, no Attendance Fee shall be payable in respect of that cancellation.
- (c) Where the LAA Peer Review Team are not able to give the Peer Reviewer at least forty-eight (48) hours' notice of a cancellation, on being notified of the cancellation the Peer Reviewer is under an obligation to spend the time booked for the Contract Work carrying out their own practice work if reasonably possible. If this is not possible then the LAA will pay a maximum of seven (7) hours' work (at £53.57 per

hour) in total for the time booked for the Contract Work which the Peer Reviewer has not been able to perform.

4. Invoicing procedure for Attendance Fee and Expenses

- (a) The LAA shall pay the Peer Reviewer's Attendance Fee and Expenses Claim. With the introduction of remote working, it is anticipated that there will be very little requirement to incur overnight accommodation costs in relation to Contract Work. Peer Reviewers must contact the Peer Review Manager for prior approval if accommodation costs are required.
- (b) All Attendance Fee and Expense Claim Forms must be completed by the Peer Reviewer by the end of the relevant assessment, training, feedback or other session and sent to the LAA Peer Review Team, 13th Floor, LAA, 102 Petty France, London, SW1H 9AJ or emailed to peer.review@Justice.gov.uk. The Peer Reviewer should retain a copy of the Attendance Fee and Expenses Claim Form so they can identify payments when they receive the payment advice. The Attendance Fee and Expenses Claim Form can be used for HMRC's returns.
- (c) All completed Attendance Fee and Expense Claim Forms must identify clearly the Contract Work to which they relate and, where VAT is payable, include a valid VAT invoice and the Peer Reviewer's VAT registration number.
- (d) On receipt of any Attendance Fee and Expense Claim Form from the Peer Reviewer, the member of the LAA Peer Review Team responsible will cross-check all items referred to in the invoice against their own records of Contract Work carried out and against original receipts provided in support of expenses incurred.
- (e) Where, after cross-checking all items, the LAA is satisfied that all items are claimable and properly claimed for (with reference to the procedures set out in this Contract and as notified to the Peer Reviewer from time to time), the Attendance Fee and Expense Claim Form will be approved for payment and payment sent directly to the Peer Reviewer at the bank account most recently notified by him/her to the LAA Peer Review Team within thirty (30) days of its receipt by the Peer Review Team.
- (f) In the event that LAA (acting reasonably) discovers a discrepancy in any item claimed, it will pay that portion of the Attendance Fee and Expense Claim Form which is not disputed within twenty-one (21) days of its receipt (or, if VAT is being claimed, within twenty-one (21) days of receipt of a revised VAT invoice for the undisputed portion) and withhold payment of the balance. Any disputes regarding such a discrepancy shall be determined in accordance with the provisions of clauses 8.6 to 8.10 of this Contract.
- (g) All items of claimable expenses in respect of which the Peer Reviewer submits an Attendance Fee and Expenses Claim Form to LAA must be supported by an original and valid VAT receipt in order for them to be payable.
