Guide to the Completing the Successor’s Application Form
Version 4.1 / June 2019

Purpose
This form should be used for all Forestry Commission grant schemes in England.

Important – All new owners have a deadline of 12 months from the sale or purchase date to submit a fully completed succession application. Failure to succeed within the required timescale will require the Forestry Commission to recover all relevant grant from the previous Agreement Holder.

This Successor Form should be completed by the new occupier where there is a change of ownership or occupancy on land which has an existing Forestry Commission grant scheme. Depending on the type of grant scheme and the particular circumstances, the form should be completed if you wish to receive future grant payments and/or are willing to continue necessary work to fulfil the conditions of the scheme. For further advice on change of ownership please refer to Operations Note 14 and the specific guidance relevant to your scheme, which is available at https://www.gov.uk/guidance/legacy-woodland-grants-and-obligations or from the relevant Administrative Hub. Your local Woodland Officer can also provide guidance on the options available to you.

Failure to fully complete the successor form will lead to the form being returned by the relevant Administrative Hub for resubmission.

For the purposes of this guidance, references to ‘ownership/owner’ should also be taken to include ‘occupancy/occupier’.
