

Public Sector Decarbonisation Scheme: Grant Recipients

Below is a list of projects that have been awarded funding through Phase 3a of the Public Sector Decarbonisation Scheme. 161 public sector organisations have been awarded grants for 219 energy efficiency and heat decarbonisation projects. This is a list of all projects, therefore any organisations with multiple projects will be listed more than once.

Multi-year projects can be identified with one asterisk for projects completing in 2023/24 and two asterisks for projects completing in 2024/25. The grant value shown is the amount awarded to each project in total across all years of delivery.
