Michelle Alder

I would like to register my opposition To the Application reference number S62A/22/0006, for a development at Berden hall farm by Berden Solar Ltd

I am opposed to it due to its impact on our local environment , the noise and visibility of the farm , the increased traffic on small country roads during construction and it's impact on not only our own quality of life but for all those living in Berden and the nearby surrounding areas Yours sincerely
Michelle Alder
