Application number on S62A/22/0006 (and UTT/22/2046/PINS)

I am writing to object to the proposal by Statera to construct a solar farm on 177 acres of land at Berden Hall Farm.

My name is [ K. J. Hughes [REDACTED] ].

The reason for my objection is as follows:

[set out why you object – we have supplied some points for your objection which you can use – we suggest that you chose between 2 and 5 points]

- 1 Devastating loss of productive farmland. Particularly now that warning bells are sounding about this country's need to be self-sufficient in food production.
- 2 Completely unsuitable access routes for transport from a safety of the public and an environmental point of view.
- 3 The possibility of fire disaster involving the battery farms and consequent release of toxic gases into the local area.
