Application number on S62A/22/0006 (and UTT/22/2046/PINS)

I am writing to object to the proposal by Statera to construct a solar farm on 177 acres of land at Berden Hall Farm.

My name is Ian Buchanan. [REDACTED]

The reason for my objection is as follows:

1. The scale of the development is disproportionate to the rural landscape
2. The development will take productive agriculture land out of production now and for the foreseeable future at a time of food security and rising food prices.
3. There are better alternatives including using brown field sites or roof top installations. Why are these not being used or progressed
4. The disruption during construction will create significant impact on residents.
