Application number on S62A/22/0006 (and UTT/22/2046/PINS)

I am writing to object to the proposal by Statera to construct a solar farm on 177 acres of land at Berden Hall Farm.

My name is Elizabeth Wrightson
[REDACTED]

The reasons for my objection is as follows:

1. There will be a huge impact on the local roads which are not suitable for a construction of this type and our villages cannot deal with the traffic which will be generated.
2. The land is needed to produce food and this country needs to produce as much as possible rather than relying on importation.
3. The area already has approved enough solar power sites to support more than its needs.
