Application number on S62A/22/0006 (and UTT/22/2046/PINS)

I am writing to object to the proposal by Statera to construct a solar farm on 177 acres of land at Berden Hall Farm.

My name is Virginia Tunnicliffe [REDACTED]

The reasons for my objection are as follows:

Farmland should be used for farming. This is productive farmland and should be used as such. It should be used for growing the crops we need for food security

This type of development does not need to be built in the countryside - these farms can go on commercial roofspace

i ride and walk along Ginns Road and use the footpaths affected by the scheme my enjoyment of these pastimes will be ruined
