Application number on S62A/22/0006 (and UTT/22/2046/PINS)

I am writing to object to the proposal by Statera to construct a solar farm on 177 acres of land at Berden Hall Farm.

My name is Abigail Harris
I live at [REDACTED]

The reason for my objection is as follows:

- firstly the scheme will not contribute to the energy needs of the local residents
- there are multiple local public rights of ways within and immediately adjacent to the site, there are many keen walkers around this area who use this as an escape From the stresses of modern life
