Subject: Berden Hall Farm (Pelham Solar)

Application number on S62A/22/0006 (and UTT/22/2046/PINS)

I am writing to object to the proposal by Statera to construct a solar farm on 177 acres of land at Berden Hall Farm.

My name is [Madeleine Noffki]

I live at [[REDACTED]].

The reason for my objection is as follows:

Farmland should be used to grow the crops we need for food security.

Uttlesford already have sufficient ground mounted solar to power 132% of their households.

One 14MW offshore wind turbine can generate as much power as the Berden Hall Solar Farm
Solar Farms do not need to be build in the Countryside they can go on commercial roof space.
