Subject: Berden Hall Farm (Pelham Solar) - Objection

Application number on S62A/22/0006 (and UTT/22/2046/PINS)

I am writing to object to the proposal by Statera to construct a solar farm on 177 acres of land at Berden Hall Farm.

My name is Mandy Minichiello and [REDACTED]

]

I live in the area and I'm a keen walker, and I often go up to Berden and around Stocking Pelham. Currently, it's a beautiful, peaceful area that I and many people like me, enjoy due its unspoilt nature. I think the proposed farm would be an eye sore, interrupting the beautiful landscape. I think farmland should be used to farm, not to generate energy. There would be many other sites that would not use prime agricultural land. I strongly object and would kindly ask that you carefully consider whether to approve this or not.

Yours sincerely

Mandy Minichiello
