Subject: S62A/22/0007

I have lived at [REDACTED], a grade 2 listed historic building, for over 40 years. Since 2011 when our lovely village became a target for development I have witnessed the village doubling in size which has increased the volume of traffic on our already restricted access roads. Another 130 houses will be so harmful to the village and it's accessibility.

Sincerely

Christina Clarke
