Authorized Amendment
Summary / Overview of the amendment to explain/ensure that the reader understands: the rationale for the amendment; the major changes; and, importantly, the full context (including desired outcome) of the amendment.
The Regulated Community is reminded to check this amendment against any applicable AAMC, Waivers or Exemptions to ensure their ongoing validity.
This amendment has been generated as part of routine Triennial Review. This issue (Issue 6) incorporates feedback from the Regulated Community received since Issue 5 was published. As a substantial re-write of the Regulatory Article (RA), this major amendment seeks to simplify and clarify regulatory intent. This RA should be read in full and subordinate orders should be updated if required.
