Subject: Planning Objection

Hello,

I am writing to object to the proposed plan to build 130 houses ref no SG2A/22/0007 Land to the South of Henham Road, Elsenham, Essex.

I object due to the complete lack of amenities in the village for the amount of residents (one primary school, shop, pub etc.) and the already terrible traffic due to the amount of homes that have been built in recent years without any other routes being added. These new houses would only make thing worse.

Also, what was once an area of beauty and green spaces has steadily become a building site over the past 5 years.

Kind Regards
Lauren Croxford
