Subject: Planning objection

I'm writing to object to the continual over building and over developing of Elsenham with another 130 poorly built dwellings considered opposite the Crown pub. This village has become way too big. The school and doctors surgery is at capacity and most importantly the roads can't cope with the traffic. There are width and weight restrictions towards Grove Hill in Stansted and at Fullers End. The country roads can't take all these fast cars. They barely allow 2 cars to pass safely past each other. Please stop this ruination of the countryside.

reference number S62A/22/0007 (in Elsenham)

Regards
Mrs Lucy Denial
