How to apply for free tax for the first time

Applying for the first free tax is different from renewing it every year.

For new vehicles, you should take the Certificate of Entitlement for one of the following to the dealership to claim free tax:

- Disability Living Allowance (DLA)

- Child Disability Payment (CDP)
- Adult Disability Payment (ADP)

- War Pensioners Mobility Supplement (WPMS)

Vehicles registered with a Northern Ireland (NI) address also need an insurance certificate valid on the day the tax starts.

For used vehicles, when you first apply for free tax you must also change the vehicle's tax class at a Post Office® branch that deals with vehicle tax. You need to take the following documents:

- a V5C registration certificate (logbook) or the green new keeper slip and a filled in 'Application for a vehicle registration certificate' (V62)
- a Certificate of Entitlement to DLA, PIP, CDP, ADP, AFIP or WPMS (please write the registration number of the vehicle in the top right hand corner)
- proof of a valid MOT (electronic copies are acceptable) or a Goods Vehicle Test certificate (GVT) (the MOT or GVT certificate must be valid on the date the tax starts) – if your vehicle had an MOT test in Northern Ireland, a valid test certificate must be produced

Vehicles registered with a NI address need a certificate of insurance or cover note (downloaded or faxed copies are acceptable, photocopies are not) valid on the day the tax starts.

If you do not use the vehicle as described above or the disabled person is no longer entitled to free disabled tax, you must tax the vehicle in the appropriate tax class.

This can be done at a Post Office that deals with vehicle tax.

You will need:
