1. INTRODUCTION

- 1.1. DWP has created the Kickstart Scheme which allows employers and gateways to bid for grant funding to create new employment opportunities for the public benefit based on eligibility criteria specified by DWP (**Kickstart Scheme**). The Grant Recipient was successful in applying to become a Kickstart gateway and DWP has awarded it a grant to support the Grant Recipient and its Employers in providing employment for 16-24 year olds claiming Universal Credit and referred by DWP.
- 1.2. This Grant Agreement sets out the terms and conditions which apply to the Grant Recipient receiving the Grant from DWP. DWP and the Grant Recipient have agreed that DWP will provide the Grant up to the Maximum Sum per Participant as long as the Grant Recipient uses the Grant in accordance with this Grant Agreement and otherwise complies with its terms.
- 1.3. DWP makes the Grant to the Grant Recipient on the basis of the Grant Recipient's grant application to become a Kickstart gateway.
- 1.4. The Parties confirm that it is their intention to be legally bound by this Grant Agreement. The Parties further acknowledge and agree that the Grant is not being allocated by DWP as consideration for the provision of services to DWP.
- 1.5. 16 – 29 year olds claiming Universal Credit, who are registered to Job Centres in areas as determined by the DWP will be eligible to participate in the Kickstart Scheme where referred by the DWP. Further detail is provided in Annex 5. Details of the Jobcentre(s) may be updated by the DWP at its discretion.

2. DEFINITIONS AND INTERPRETATION

- 2.1. In this Grant Agreement, unless the context otherwise requires, capitalised terms have the meanings given in Annex 1 (Definitions) or the Grant Offer Letter.

References as they form part of domestic law by virtue of section 3 of the EUWA as modified by domestic law from time to time;

- (6) the words "including", "other", "in particular", "for example" and similar words will not limit the generality of the preceding words and will be construed as if they were immediately followed by the words "without limitation";
- (7) references to "writing" include typing, printing, lithography, photography, display on a screen, electronic and facsimile transmission and other modes of representing or reproducing words in a visible form, and expressions referring to writing will be construed accordingly;

- 2.3.1. Annex 5 to the Conditions
- 2.3.2. the Grant Offer Letter

- 2.3.4. the Annexes to the Conditions; and
- 2.3.5. any other documents incorporated by reference in, or developed in accordance with, this Grant Agreement.

3. DURATION/PURPOSE OF THE GRANT AND GATEWAY DUTIES

- 3.1. This Grant Agreement will start on the Commencement Date and continue for the duration of the Funding Period unless terminated earlier in accordance with its terms.
- 3.2. The Grant funding is being provided to support the Grant Recipient and Employers to create new employment opportunities, for the public benefit, for young people at risk of long-term unemployment.
- 3.3. The Grant Recipient shall use, and shall ensure the Employers use, Grant funding solely for the delivery of the Funded Activities. The Grant Recipient must not, without the prior written consent of DWP, make any changes to the Funded Activities.
- 3.4. The provision of the Grant is subject to the proper discharge of DWP's duties, and the exercise of its discretions, as a Crown Body.
- 3.5. DWP may at its entire discretion vary the Grant and the terms and conditions of this Grant Agreement (including increasing or decreasing the Grant, removing Funded Activities from the Grant or changing the payment schedule) for any reason. Any variation made under this clause 3.5 will not take effect until notified by DWP to the Grant Recipient in writing.
- 3.6. As a Kickstart gateway, the Grant Recipient will:

- 3.6.1. ensure that the Funded Activities delivered by the Employers are carried out in accordance with the terms of the Employer Agreement;
 - 3.6.2. not change the Employers without DWP's prior written consent;
 - 3.6.3. not agree changes to the terms of the Employer Agreement without DWP's prior written consent;
 - 3.6.4. not charge any fees or other amounts to Employers or Participants in connection with arranging Kickstart Scheme jobs or administering Grant instalments;
 - 3.6.5. notify DWP if any of the circumstances in clauses 7.2, 7.4, 9.3, 13.5 or 22.12 of the Employer Agreement apply and take such action as agreed with DWP;
 - 3.6.6. not exercise any rights to terminate the Employer Agreement without DWP's prior written consent; and
 - 3.6.7. ensure each Employer has the capacity and capability to support its existing Kickstart Scheme jobs and any additional jobs it wishes to be funded by the Grant. The Grant Recipient is responsible for checking that all existing and prospective Kickstart Scheme jobs to be funded under this Grant Agreement can be supported to the standards required by this Grant Agreement.
- 3.7. The Grant Recipient must not, without the prior written consent of DWP, exceed the maximum number of employment opportunities to be funded as stated in the Grant Offer Letter and varied from time to time in accordance with this Grant Agreement.
- 3.8. The Grant Recipient will ensure that:
- 3.8.1. where the Grant Recipient is the employer, none of its jobs advertised or funded under this Grant Agreement are also part of another Kickstart Scheme grant agreement or application; and
 - 3.8.2. each Employer is made aware that it must not advertise the same Kickstart Scheme job through (i) more than one gateway organisation or (ii) a gateway and its own grant agreement with DWP.
- 3.9. If DWP considers that any job under this Grant Agreement is also part of another Kickstart Scheme grant agreement or application, DWP may choose not to provide any Grant funding for that job under this Grant Agreement and may reduce the maximum number of employment opportunities to be funded under this Grant Agreement.
- 3.10. A Participant may not commence a Kickstart Scheme job after 31 March 2022. If any Participant commences any job after 31 March 2022, they shall not be classed as a Participant under this Grant Agreement and no payment will be due to the Grant Recipient under this Grant Agreement with respect to that individual.

4. PAYMENT OF GRANT

- 4.1. Subject to the other terms of this Grant Agreement, DWP shall pay the Grant Recipient an amount not exceeding the Maximum Sum per Participant. The actual amount of the Grant to be paid to the Grant Recipient will be determined by the Eligible Expenditure incurred by the Grant Recipient and the Employers during the Funding Period.

- 4.2. The Grant is a contribution only. The Grant Recipient and Employers are responsible for sourcing or providing the resources required for the Funded Activities. The Maximum Sum per Participant will not be increased in the event of any overspend by the Grant Recipient or any Employer in its delivery of the Funded Activities.
- 4.3. DWP will only pay the Grant to the Grant Recipient in respect of Eligible Expenditure incurred by the Grant Recipient and Employers to deliver the Funded Activities. DWP will not make any Grant payment until it is satisfied that the Grant Recipient and/or the relevant Employer(s) have paid for and delivered the Funded Activities or provided sufficient assurance that the Grant will be used for Eligible Expenditure only.
- 4.4. The Grant Recipient may request payment of the first Grant instalment once the Participant has commenced their employment with the Grant Recipient or Employer (see note 5 of Annex 3 for more detail on what this means). The Grant Recipient must not request payment of the first Grant instalment before the Participant has commenced employment with the Grant Recipient or Employer. The Grant Recipient will provide, or require the Employer to provide, any information or documentation prescribed by DWP from time to time to evidence that the Participant has started and continues in work with the Employer (or the Grant Recipient) as part of the Kickstart Scheme. Payment of the first Grant instalment will be made following receipt by DWP of a request for payment and confirmation to DWP's satisfaction that the Participant has started employment with the Grant Recipient or the relevant Employer.
- 4.5. Following the first Grant instalment, DWP will provide subsequent instalments of the Grant in accordance with the payment schedule in Annex 3.
- 4.6. Without prejudice to DWP's other rights, DWP may at any time suspend payment of the Grant and/or terminate this Grant Agreement by written notice to the Grant Recipient in circumstances where DWP is for any reason unable or not permitted to provide the funds.
- 4.7. DWP will have no liability to the Grant Recipient for any Losses caused by a delay in the payment of the Grant howsoever arising.
- 4.8. The Grant Recipient will provide DWP with any evidence requested by DWP of the costs/payments classified as Eligible Expenditure in clause 5.2.
- 4.9. The Grant Recipient agrees that:
 - 4.9.1. Neither it nor any Employer will apply for or obtain Duplicate Funding in respect of any part of the Funded Activities which have been paid for in full using the Grant; and
 - 4.9.2. DWP may exercise its rights under clause 22.3 and/or refer the Grant Recipient or any Employer to the police should it dishonestly and intentionally obtain Duplicate Funding for the Funded Activities.
- 4.10. The Grant Recipient shall promptly notify and repay immediately to DWP any money incorrectly paid to it either as a result of an administrative error or otherwise. This includes situations where the Grant Recipient is paid in error before it has complied with its obligations under this Grant Agreement. If the Grant Recipient fails to repay the due sum immediately or within any other timeframe specified by DWP, the sum may be recoverable as a debt.
- 4.11. The Grant Recipient will be the sole recipient of the Grant. The Grant Recipient shall be responsible for managing the Grant as between itself and the Employers involved in performing the Funded Activities. This includes securing the re-payment of the Grant if requested by DWP

in accordance with this Grant Agreement. Onward payment of the Grant to Employers does not relieve the Grant Recipient of its obligations under this Grant Agreement.

- 4.12. Wherever under this Grant Agreement any sum of money is recoverable from or payable by the Grant Recipient, DWP may unilaterally deduct that sum from any sum then due, or which at any later time may become due, to the Grant Recipient under this Grant Agreement or under any other agreement or contract with DWP.

5. ELIGIBLE AND INELIGIBLE EXPENDITURE

- 5.1. DWP will only pay the Grant in respect of Eligible Expenditure incurred by the Grant Recipient and the Employers to deliver the Funded Activities.
- 5.2. The following costs/payments will be classified as Eligible Expenditure if incurred for the purposes of the Funded Activities:

- 5.3. The Grant Recipient and Employers may make additional wage payments and pension contributions to their Participants above the amount described in clause 5.2.4. Any such additional payments are not supported by the Grant and are not Eligible Expenditure of the Grant funds.
- 5.4. The Grant Recipient must not, and must ensure the Employers do not, use any Crown funding provided for a different purpose to fund Kickstart Scheme activities in conjunction with Kickstart Scheme Grant payments.
- 5.5. If the Grant Recipient or any Employer is party to any contract for goods, works or services or any funding agreement (other than this Grant Agreement) with any Crown Body, whether national, local or devolved, the Grant Recipient must not, and must ensure the Employer does not, use Kickstart Scheme Grant payments to replace or duplicate the funding provided by that Crown Body for the purpose of that contract or funding agreement.
- 5.6. While the Grant Recipient is in receipt of Grant funding for a Participant in connection with the Kickstart Scheme, neither the Grant Recipient nor any Employer can claim or receive any other Crown funding for that Participant, including reimbursement of Statutory Sick Pay or payments under the Coronavirus Job Retention Scheme or Job Support Scheme.

- 5.7. DWP may, from time to time, issue further guidance to the Grant Recipient on what constitutes Eligible Expenditure.
- 5.8. The Grant Recipient must not, and must ensure the Employers do not, in any circumstance claim the following non-exhaustive list as Eligible Expenditure (the list below does not override activities which are deemed eligible under clause 5.2 of these Conditions):

 - 5.8.2. using the Grant to directly enable one part of government to challenge another on topics unrelated to the agreed purpose of the Grant;
 - 5.8.3. using the Grant to petition for additional funding;
 - 5.8.4. expenses such as for entertaining, specifically aimed at exerting undue influence to change government policy;
 - 5.8.5. input VAT reclaimable by the Grant Recipient or any Employer from HMRC;
 - 5.8.6. payments for activities of a political or exclusively religious nature; and
 - 5.8.7. payments reimbursed or to be reimbursed by other public or private sector grants.
- 5.9. Other examples of expenditure, which are prohibited, include the following (unless deemed to be eligible under clause 5.2 of these Conditions):
 - 5.9.1. contributions in kind;
 - 5.9.2. interest payments or service charge payments for finance leases;
 - 5.9.3. gifts;
 - 5.9.4. statutory fines, criminal fines or penalties, civil penalties, damages or any associated legal costs;
 - 5.9.5. payments for works or activities which the Grant Recipient or any Employer has a statutory duty to undertake or that are fully funded by other sources;
 - 5.9.6. bad debts to related parties;

 - 5.9.8. advertising, communications, consultancy or marketing spend;
 - 5.9.9. depreciation, amortisation or impairment of assets owned by the Grant Recipient;
 - 5.9.10. the acquisition or improvement by the Grant Recipient of any land, buildings, plant, equipment or any other assets; and
 - 5.9.11. liabilities incurred before the commencement of this Grant Agreement unless agreed in writing by DWP.

6. GRANT REVIEW

- 6.1. DWP will review the Grant during the Funding Period. DWP will take into account the delivery of the Funded Activities against the agreed outputs set out in Annex 4.
- 6.2. Each review may result in DWP deciding that:
 - 6.2.1. the Funded Activities and this Grant Agreement should continue in line with existing plans;
 - 6.2.2. there should be an increase or decrease in the Grant and the number of Employers or Participants supported for the remainder of the Funding Period;
 - 6.2.3. the outputs should be re-defined and agreed;
 - 6.2.4. the Grant Recipient and/or any Employer(s) should carry out remedial activity to improve delivery of the Funded Activities;
 - 6.2.5. the Grant be terminated in accordance with clause 22 of these Conditions; and/or

6.2.6. any other action deemed reasonable in the circumstances should be taken.

- 6.3. If remedial activity is required pursuant to clause 6.2.4, the Grant Recipient will submit a plan to DWP setting out the steps it proposes to take to rectify the areas identified by DWP and the timetable for taking those steps.
- 6.4. The Grant Recipient may make representations to DWP regarding DWP's decision under clause 6.2. DWP is not obliged to take such representations into account when making its decision as any such decision will be final and at DWP's absolute discretion.

7. MONITORING AND REPORTING

7.1. The Grant Recipient shall closely monitor the delivery and success of the Funded Activities throughout the Funding Period to ensure that the aims and objectives of the Funded Activities are achieved. The Grant Recipient shall provide DWP with all reasonable assistance and co-operation to establish if the Grant Recipient and Employers have used the Grant in accordance with this Grant Agreement.

7.2. The Grant Recipient shall notify DWP as soon as possible upon becoming aware that:

7.2.1. a Participant has ceased or will cease to be engaged by the Grant Recipient or an Employer at any point during his or her six month Kickstart Scheme employment; or

7.2.2. any Participant is unable to carry out regular, meaningful work at any point during the six month Kickstart Scheme employment. This could be because an Employer is unable to provide work due to recommended or mandatory measures introduced by the Crown to prevent or delay the spread of Coronavirus, a change in circumstances for the Participant, special leave or for any other reason. DWP may then decide to take any action deemed reasonable in the circumstances, including extending the period of Grant funding and making changes to Grant payments with respect to that Participant.

7.3. The Grant Recipient will permit, and procure that each Employer permits, any person authorised by DWP reasonable access, with or without notice, to its employees, agents, premises and facilities for the purpose of discussing, monitoring and evaluating the fulfilment of the Funded Activities and will, if so required, provide appropriate oral or written explanations to such authorised persons as required during the Funding Period.

7.4. The Grant Recipient will notify DWP as soon as possible and in any event within two (2) Working Days of becoming aware of:

7.4.1. any actual or potential failure to comply with any of its obligations under this Grant Agreement, which includes those caused by any administrative, financial or managerial difficulties; or

7.4.2. any event which materially affects the continued accuracy of information contained in its Grant application.

7.5. The Grant Recipient acknowledges and agrees that any data it provided pursuant to an application for the Grant, or provides under this Grant Agreement, may be shared within the powers conferred by legislation with other organisations for the purpose of preventing or detecting crime.

7.6. The Grant Recipient acknowledges that DWP has a duty to ensure that public money is used as intended. The Grant Recipient agrees that DWP may contact any Employer to:

7.6.1. verify how quickly the Employer is receiving payment from the Grant Recipient; and

7.6.2. check what support the Grant Recipient is providing to the Employer or its Participants.

8. AUDITING AND ASSURANCE

- 8.1. DWP may request, and the Grant Recipient will provide, independent assurance that the Grant has been used for delivery of the Funded Activities. To satisfy this requirement, the Grant Recipient will provide, if reasonably requested by DWP (including where DWP suspects that the Grant has been misused), a report from an independent and appropriately qualified auditor certifying whether the Grant paid to the Grant Recipient was applied in accordance with this Grant Agreement.
- 8.2. DWP may, at any time during and up to six years after the end of this Grant Agreement, conduct audits and reviews of the delivery and performance of the Funded Activities and / or request additional information related to the Funded Activities or the performance of this Grant Agreement where DWP considers it necessary. The Grant Recipient grants, and will procure that each Employer grants, DWP and its Representatives full access, as required, to all Funded Activities' sites, accounts and relevant records. DWP may take copies of such accounts and records.
- 8.3. If DWP reasonably requires further information, explanations and documents in order for DWP to establish that the Grant has been used properly in accordance with this Grant Agreement, the Grant Recipient will, within 5 Working Days of a request by DWP, provide DWP free of charge, with the requested information, explanations and documents.
- 8.4. The Grant Recipient shall keep, and procure that each Employer keeps, accurate and up-to-date accounts and records of the receipt and expenditure of the Grant monies received by it. The Grant Recipient shall retain, and procure that each Employer retains, all invoices, receipts, accounting records and any other documentation (including correspondence) relating to the Eligible Expenditure during the Funding Period and for a period of six years from the date on which the Funding Period ends.
- 8.5. Where the Grant Recipient is a company registered at Companies House, the Grant Recipient must file its annual return and accounts by the dates specified by Companies House.
- 8.6. Where the Grant Recipient is a registered charity, the Grant Recipient must file its charity annual return by the date specified by the Charity Commissioner or the Scottish Charity Regulator (as applicable).

9. FINANCIAL MANAGEMENT AND PREVENTION OF BRIBERY, FRAUD AND OTHER IRREGULARITY

- 9.1. The Grant Recipient will at all times comply with all applicable Laws, statutes and regulations relating to anti-bribery and anti-corruption, including the Bribery Act.
- 9.2. The Grant Recipient must have a sound administration and audit process, including internal financial controls, to safeguard against fraud, theft, money laundering, counter terrorist financing or any other impropriety or mismanagement in connection with the administration of the Grant. The Grant Recipient must be able to demonstrate that its systems of financial and manpower control, management and organisation will enable the Grant Recipient to carry out the Funded Activities and meet the objectives of this Grant Agreement.
- 9.3. The Parties agree that each will have a zero tolerance approach towards financial irregularity that may lead to the misuse of the Grant and the Grant Recipient shall provide any assistance required by DWP to recover such funds.

- 9.4. In the event of any credible indication(s) that Grant funds may have been subject to financial irregularity, DWP may, at any time during the Funding Period and up to six years after it, arrange for additional investigations, on-the spot checks and/or inspections to be carried out. These may be carried out by DWP or any of its duly authorised representatives (including Third Parties).
- 9.5. The Grant Recipient must notify DWP of all cases of fraud, theft or financial irregularity (whether proven or suspected) relating to the Funded Activities as soon as they are identified. The Grant Recipient shall explain to DWP what steps are being taken to investigate the irregularity, keep DWP informed about the progress of any such investigation and assist DWP in any investigations it initiates. DWP may request that the matter be referred (which the Grant Recipient is obliged to carry out) to external auditors or another Third Party as required.
- 9.6. DWP will have the right, at its absolute discretion, to insist that the Grant Recipient addresses any actual or suspected fraud, theft or other financial irregularity and/or to suspend future payment of the Grant to the Grant Recipient. Any grounds for suspecting financial irregularity include what the Grant Recipient, acting with due care, should have suspected as well as what is actually proven.
- 9.7. The Grant Recipient agrees and accepts that it may become ineligible for Grant support and may be required to repay all or part of the Grant if it engages in tax evasion or aggressive tax avoidance in the opinion of His Majesty's Revenue and Customs.
- 9.8. For the purposes of this clause 9, "financial irregularity" includes potential or actual fraud, corruption, money-laundering or other impropriety, mismanagement, and the use of the Grant for any purpose other than those stipulated in this Grant Agreement. The Grant Recipient may be required to provide statements and evidence to DWP or the appropriate organisation as part of pursuing sanctions, criminal or civil proceedings.

 - 11.4.2. to any government department, consultant, contractor or other person engaged by DWP, provided that DWP only discloses the information which is necessary for the purpose concerned and requests that the information is treated in confidence and that a confidentiality undertaking is given where appropriate; or
 - 11.4.3. where disclosure is required by Law, including under the Information Acts.
- 11.5. Nothing in this clause 11 shall prevent either Party from using any techniques, ideas or know-how gained under this Grant Agreement in the course of its normal business, to the extent that this does not result in an unauthorised disclosure of the other Party's Confidential Information or an infringement of the other Party's Intellectual Property Rights.

ANNEX 2 – THE FUNDED ACTIVITIES

The Kickstart Scheme is designed to improve employability and the chances of sustained employment for those at risk of long term unemployment in the 16-24-year-old age group. It provides grant funding to employers to support the creation of new jobs that would not otherwise exist.

The Kickstart Scheme funding will support employers to provide six months of work for young people. It will be regular, paid work which will help young people to develop transferrable skills (such as team work) and demonstrate to future employers that they have a track record of being a reliable employee with an up-to-date reference.

Kickstart gateways will play an important role in the national effort to help young people into employment and support economic recovery from the impact of Covid-19. They will help a wide range of employers, including small and medium sized organisations, to create jobs and deliver support to young people at risk of long term unemployment. Gateways have flexibility to decide how best to help the Employers and young people they are supporting.

2. Aims and objectives of the Funded Activities

The Grant funding will help the Grant Recipient to provide, and support Employers to provide, a quality work experience to individuals at risk of long term unemployment in the 16-24-year-old age group. The work should incentivise positive behaviours from these individuals to make them more attractive to future employers and maximise their readiness to make a successful transition into long term employment, giving them the confidence and competence to succeed. As such, the Kickstart Scheme aims to reduce the scarring effect of unemployment.

3. Funded Activities

The Grant Recipient and the Employers will use the Grant funding to provide six months of employment for Participants, including support to Participants in developing work skills and finding future employment. The activities funded with the Grant are described more fully below:

- a. Grant funding will help the Grant Recipient to carry out the following activities as a Kickstart gateway:
 - gathering information from Employers about the Kickstart Scheme jobs they provide;
 - passing on information about these jobs to work coaches so that the right young people are referred;
 - passing on to the Employers the relevant payments made by DWP for set-up costs and wage-related costs;
 - sharing its expertise with Employers to help them onboard and offer employability support to Participants;
 - providing help directly to Participants to find work after completing the scheme;
 - ensuring that the funding payments claimed by Employers in respect of the Participants they employ are valid and accurately represent costs which have

- been properly incurred in employing the relevant Participants and providing the Funded Activities; and
 - recovering the value of any funding payments wrongly paid to Employers due to a failure to deliver the Funded Activities.
- b. The employment opportunities created with the funding will be equivalent to jobs not funded by the Kickstart Scheme. The jobs will have the same expectation on the employee to improve and develop. The jobs should enable the employee to build up skills that will lead to sustainable employment and should be paid at the normal rate for similar jobs and with the same frequency (see note 6 below).
- c. The Grant funding will be used by the Grant Recipient and Employers to provide new jobs. The jobs must not:
- replace existing or planned vacancies; or
 - cause existing employees, workers, apprentices or contractors to lose work or reduce their working hours.
- d. All Kickstart Scheme jobs must be accompanied by a written job description, setting out the purpose, start date and responsibilities of the position.
- e. All employment opportunities supported by the Grant funding must:
- provide regular, meaningful work for the Participant, for a minimum of 25 hours per week on average each month, for six months (see note 5 below); and
 - pay at least the National Minimum Wage/National Living Wage (as applicable) for the Participant's age group, national insurance and minimum automatic enrolment contributions.

The Grant Recipient or Employer (as applicable) must make the required employer national insurance contributions for Participants and comply with its employer automatic enrolment duties with respect to Kickstart Scheme Participants. The Grant Recipient or Employer (as applicable) must meet its statutory duties in relation to employment rights and employer responsibilities in the workplace (for example, for health, safety and welfare) for all Kickstart Scheme Participants.

- f. Employment opportunities should not require Participants to undertake extensive training (either classroom or online) before they begin the job or at any point during the six months. For example, if a significant part of the job involves completing a training course or watching training videos, this would not constitute meaningful work or be equivalent to a job not funded by the Kickstart Scheme.
- g. The Grant Recipient and the Employers will use the Grant to provide employability support to Participants and help Participants to develop work skills.
- Employability support includes on-the-job training, work search support, transferrable skills development, mentoring, careers advice and other related support to help the Participants find sustained employment after they have completed their Kickstart Scheme jobs.
 - Helping Participants to develop and build work skills includes developing attendance management, timekeeping, teamwork and communication skills as appropriate.

- h. The funding should be used by the Grant Recipient or Employer (as applicable) to have regular (at least monthly) reviews with Participants to discuss performance in the role and areas for improvement.

Please note:

1. A Kickstart job is not an apprenticeship but a Participant may move to an apprenticeship whilst taking part in the Kickstart Scheme. Grant funding will cease once a Participant ceases to be involved in the Kickstart Scheme (for example, because the Participant has moved from a Kickstart Scheme job to an apprenticeship).
2. Once a Kickstart Scheme job is created, it can be taken up by a new Participant once the previous Participant has ceased to be employed as part of the Kickstart Scheme. A Kickstart Scheme job cannot be filled more than once by the same Participant.
3. DWP will only provide Grant funding for candidates referred to the Grant Recipient or an Employer by DWP. DWP selects the candidates to refer to the Kickstart Scheme vacancies offered by the Grant Recipient or an Employer at DWP's sole discretion. Any recruitment activity by the Grant Recipient or an Employer will not determine which candidates DWP refers to these Kickstart Scheme vacancies.
4. The Grant Recipient will use reasonable endeavours to fill Kickstart Scheme vacancies as quickly as possible but neither the Grant Recipient nor any Employer is otherwise obliged to accept candidates referred by DWP for its vacancies. Grant funding will only be provided once the Grant Recipient or Employer has accepted a candidate referred by DWP.
5. All Kickstart Scheme jobs must provide regular, meaningful work for Participants, under the day-to-day direction and control of the Grant Recipient or an Employer, for six months. A job should not be designed to spread the six months of work over a longer period than six continuous months. For example, a job spread across seven months, with a one month break from work in the middle of it, will not be providing regular, meaningful work for the Participant. The Grant Recipient must notify DWP if any Participant is unable to carry out regular, meaningful work at any point during the six month Kickstart Scheme employment (as per clause 7.2.2).
6. DWP expects the Grant Recipient and its Employers to treat the Participants fairly and no less favourably than other staff members doing similar work with similar experience who are recruited outside the Kickstart Scheme. DWP does not expect Participants to be paid less or less frequently than other new joiners in a similar position simply because the Participants are part of the Kickstart Scheme. The Grant is a contribution only and may not cover the full remuneration that the Grant Recipient or any Employer should pay its Participants.

ANNEX 3 – PAYMENT SCHEDULE

Subject to the Grant Recipient’s compliance with the terms of this Grant Agreement, DWP will make Grant payments in accordance with the following payment schedule for each Participant employed by the Grant Recipient or Employer as part of the Kickstart Scheme. The Grant funding per Participant will be paid in the following instalments:

INSTALMENTS	GRANT SUM PAYABLE	GRANT INSTALMENT PROCESSING DATE / MILESTONE
1 st instalment	One £1860 payment per Participant for administration, set-up and support costs*	On confirmation to DWP’s satisfaction that the Participant has started employment with the Grant Recipient or Employer.
2 nd instalment	One sixth of the Total Grant minus the first instalment. †	In arrears - on confirmation that Participant paid through PAYE for the first month.† This payment is expected to be processed in or around the 6 th week of the job.
3 rd – 7 th instalments	Each payment is one sixth of the Total Grant minus the first instalment. †	In arrears – approximately every month after the 2 nd payment on confirmation that Participant paid through PAYE for the previous month.†

A Grant instalment will usually be received by the Grant Recipient up to 11 Working Days after it has been processed by DWP.

Calculating the Total Grant:

Total Grant means the total grant funding provided per Participant which includes (i) an initial instalment of £1860 or £1500 (as applicable)* and (ii) six further instalments based on 100% of the Relevant Wage for 25 hours a week of work by the Participant for 26 weeks, plus the associated employer National Insurance contributions and employer minimum automatic enrolment contributions.

Relevant Wage means the National Minimum Wage or the National Living Wage applicable to the Participant based on their age at the end of the six months of employment funded by the Kickstart Scheme.

Grant instalments are calculated on the basis of the National Minimum Wage or National Living Wage rates applicable at the time payment is made. Where a grant instalment is to be made at the end of a period that spans two different rates (for example, where as a result of the April uprating, a payment period spans 2020/21 rates and 2021/22 rates), that instalment will be

calculated on the basis of the higher rates. For example, if a Participant starts work in a Kickstart Scheme job on 10 February 2021 and is 21 years old at the end of the six months of work, the Grant instalment after the first month of work should be based on 2020/21 rates, the next instalment (spanning 2020/21 and 2021/22 rates) should be based on 2021/22 rates because they are higher, and all further instalments of the Grant should be based on 2021/22 rates.

*** The initial Grant instalment:**

The initial payment is a fixed amount to contribute to the costs of onboarding Participants, including IT equipment and software licences, administration and management time, and providing support to Participants to develop the skills and experience to find work after completing the scheme.

The amount of the initial Grant payment per Participant (£1860) that the Grant Recipient pays to the Employer depends on its agreement with the Employer. DWP expects gateway organisations will retain at least £300 to contribute towards their administrative costs. If the Grant Recipient will also be assisting with set-up, support and training during the Kickstart Scheme job, the Grant Recipient and the Employer may agree that the Grant Recipient will retain more than £300 from the initial payment to reflect its contribution to these Funded Activities. The Grant Recipient will pass through the rest of the initial payment to the Employer to contribute to its set-up, support and training costs.

If the Participant will be employed by the Grant Recipient rather than an alternative Employer, the initial payment will be £1500 not £1860.

† Confirmation that Participant paid through PAYE:

Confirmation is collected by DWP from Real Time Information (**RTI**) submissions. No Grant payment will be made to the Grant Recipient without this confirmation that the Participant has been paid by the Grant Recipient or an Employer.

Notes:

1. Leaving the Kickstart Scheme early

If, prior to the expiry of the intended six-month period, a Participant ceases or will cease to be employed by the Grant Recipient or an Employer as part of the Kickstart Scheme during any month (for example, because the Participant leaves their Kickstart Scheme job or has their employment terminated), the Grant Recipient must notify DWP as per clause 7.2.1. This allows DWP to note that the Participant is no longer involved in the Kickstart Scheme and Eligible Expenditure with respect to that Participant is ending. A final grant instalment payment will be made for that Participant on the same schedule, and subject to the same conditions, described in this Annex 3. No further grant instalments will then be paid in respect of that Participant. Please note that:

- Neither the first instalment nor any subsequent instalments of the Grant will be due or payable for any Participant who does not start their Kickstart Scheme job (see note 5 below).
- If a Participant ceases their Kickstart Scheme job without completing a full day of work, then neither the 2nd instalment nor any subsequent instalments of the Grant will be due or payable to the Grant Recipient for that Participant. DWP determines that a full day of work has been completed if the RTI submission for a Participant shows that the Participant has been paid the Relevant Wage for at least five hours of work.
- By way of example:

- if a Participant starts their Kickstart Scheme job but leaves after three hours of work, the Grant Recipient will receive the first Grant instalment (£1860 or £1500) but will not receive any subsequent instalments of the Grant;
- if a Participant starts their Kickstart Scheme job but leaves after 10 hours of work, the Grant Recipient will receive the first Grant instalment (£1860 or £1500) and the second Grant instalment (one sixth of the Total Grant minus the first instalment) but will not receive any subsequent instalments of the Grant.

2. Grant funding term

Unless DWP extends the Grant funding period (for example, under clause 7.2.2), funding is provided for a continuous six-month period only for each Participant. There is no Grant funding for any period of employment after this six-month period, whether this is to allow the Participant to take paid leave accrued during the six months or for any other reason.

3. Holiday

DWP expects Participants will take holiday at regular intervals during the Kickstart Scheme job. Where a Participant leaves the job early in unanticipated circumstances with unused holiday entitlement, then, subject to note 2 above, the Grant Recipient or Employer may add those accrued paid leave days to the Participant's last day of work to determine the last day of employment, which is then notified to DWP as per clause 7.2.1.

4. Eligible Expenditure

As per clause 5, Grant funding can only be used for Eligible Expenditure. The Grant funding must be used for Funded Activities, benefitting the Participants, and must not be used for any Ineligible Expenditure or retained by the Grant Recipient or any Employer.

5. Starting employment

The Grant Recipient must not claim the first Grant instalment for any Participant until that Participant has commenced employment with the Grant Recipient or an Employer. If the Grant Recipient receives the first Grant instalment for a Participant who has not commenced, or does not commence, employment with the Grant Recipient or an Employer, the Grant Recipient must immediately repay the amount of the first instalment to DWP, unless otherwise instructed by DWP in writing.

A Participant has commenced employment with the Grant Recipient or an Employer when the Participant has successfully started their first day of work with the Grant Recipient or that Employer. The following is a non-exhaustive list of events that do not constitute a Participant having commenced employment with the Grant Recipient or an Employer and which do not entitle the Grant Recipient to claim the first Grant instalment:

- (a) induction activities that take place before the Participant's actual start date;
- (b) offering a Participant a contract of employment;
- (c) pre-employment screening checks, such as a Disclosure and Barring Service (DBS) check;
- (d) allocating a predicted future start date to a Participant; and
- (e) the Participant's start date arriving but the Participant does not start work.

ANNEX 4 – AGREED OUTPUTS

The Grant Recipient is required to achieve the following outputs and performance measures through its own activities and those of its Employers:

Agreed Outputs

- Provide full details of the Kickstart Scheme vacancies to DWP and evidence that these jobs are new jobs promptly following signing of the Grant Offer Letter.
- Make available the number of Kickstart Scheme vacancies stated in the Grant Offer Letter and use reasonable endeavours to fill the vacancies as quickly as possible.
- Provide regular, meaningful work for the Participants that will help them become more attractive to future employers and maximise their readiness to make a successful transition into long term employment. For work to be meaningful, the job must be equivalent to a job not funded by the Kickstart Scheme and must not involve significant classroom or online training.
- Provide support to help each Participant with finding future employment. This can include on-the-job training, work search support, transferrable skills development, mentoring and careers advice, and support with CV and interview preparation.
- Help to build each Participant's work skills which can include developing attendance management, timekeeping, team work and communication skills. This will help the Participant's employment prospects after the Kickstart Scheme job ends.
- Keep records and other evidence (and require its Employers to do the same) of how the above outputs are being achieved (for example, notes of positive feedback that the Participant receives, records of mock job interviews conducted) and provide details to DWP on request.

ANNEX 5 – PROOF OF CONCEPT

The Kickstart Scheme was designed for Participants aged between 16 - 24. There is a potential that individuals aged 25-29 may also derive benefit from being part of the Kickstart Scheme.

Individuals aged 25-29 registered to Job Centres in areas as determined by the DWP where there are an insufficient number of Participants aged between 16-24 available to fill the Kickstart job vacancies, will also be eligible for the Kickstart Scheme where referred by the DWP. Further details will be on [Kickstart Scheme - GOV.UK \(www.gov.uk\)](http://www.gov.uk).
