Subject: [External] Plant Enquiry Ref Job No. 27538576

08/11/2022

LinesearchbeforeUdig ref: 27538576

Your ref: S62A/22/0005

Dear Sir/Madam,

Thank you for contacting us

Please see attached information specific to your enquiry:

1. Plan (Please print in colour) Download attachments from the following location (please note this link is valid for 72 hours) :

[REDACTED]

2. Letter

3. Other safety related information : Think+before+you+dig+underground.pdf

The Plan is an extract from our mains records of the proposed work area enclosed for your guidance. This plan only shows the cables and overhead lines owned by UK Power Networks. Please note that privately owned electricity cables or ones owned by other Independent Network Operators may be present in this area and information regarding those cables needs to be requested from the owners.

The accuracy of the information shown on this plan cannot be guaranteed. Please read the information and disclaimer on these plans carefully. The information included on the plan is only valid for 3 months however please note our data is updated daily.

A colour copy of these plans and the safety advice booklet enclosed should be passed to the senior person on site in order to prevent damage to our plant and potential direct or consequential costs to your organisation.

Safe digging practices, in accordance with HSE publication HSG47 "Avoiding Danger from Underground Services" must be used to verify and establish the actual position of mains, pipes, services and other apparatus on site before any mechanical plant is used. It is your responsibility to ensure that this information is provided to all relevant people (direct labour or contractors) working for you on or near electricity assets.

Damage to our cables can be extremely dangerous for your employees and the general public.

If you require any further information please contact the number below.

Network Feedback Tool

To help improve the accuracy of its electrical asset plans, UK Power Networks is inviting all users to submit feedback when they have worked around its network. Providing information on any inaccuracies, damage or missing network, could help UK Power Networks to enhance their plans and try to ensure safer working for others.

It should only take a few minutes of your time and any response will be greatly appreciated.

[REDACTED] will take you to the feedback form.

Alternatively, you can use your mobile device to scan the QR code provided in your plans package.

Yours sincerely,

UK Power Networks
Plan Provision Team
