

**Procurement of the Housing Loss Prevention Advice Service in England and Wales
from August 2023**

Housing Loss Prevention Advice Service Information for Applicants

Introduction

The Legal Aid Agency (“**LAA**”) is inviting Tenders to deliver the publicly funded Housing Loss Prevention Advice Services (“**HLPAS**”) to commence on 1 August 2023. Successful Applicants will be awarded a Schedule to provide HLPAS Contract Work.

Schedules will form part of the 2018 Standard Civil Contract (“**2018 Contract**”) which is the primary contractual arrangement between the LAA and contracted organisations delivering civil legal aid services.

It will be a requirement that holders of a HLPAS Schedule hold a 2018 Contract which includes a specific authorisation to conduct Housing and Debt Contract Work (“**2018 Housing and Debt Contract**”) i.e. the face-to-face delivery of legal aid advice on Housing & Debt matters that are not covered by HLPAS.

It is **not** a requirement that Applicants tendering for a HLPAS Schedule to **currently** hold a 2018 Contract. The LAA welcomes Tenders from any Applicant which meets the rules of this procurement process and is able to deliver HLPAS Contract Work. Applicants can bid for a 2018 Housing and Debt Contract through this procurement.

A compliant Tender consists of a Response to:

1. the Selection Questionnaire (“**SQ**”); plus
2. at least one Housing Loss Prevention Advice Service Invitation to Tender (“**HLPAS ITT**”);

and, where the Applicant is not a current Housing and Debt Contract holder, or is a current 2018 Housing and Debt Contract holder and wishes to deliver Housing and Debt Contract Work from new Offices to support the delivery of HLPAS:

3. the Housing and Debt Contract Work ITT (“**Housing and Debt ITT**”)

The ITTs to which an Applicant must submit a Response is dependent on its current status as set out below:

The Deadline for submitting a Response to the SQ, HLPAS ITT and, where relevant, the Housing and Debt ITT is 12 pm on 19 December 2022 (“Deadline”)

The HLPAS will replace the Housing Possession Court Duty Scheme (“**HPCDS**”) and an Applicant currently contracted to deliver a HPCDS will fall into the category of a Housing and Debt Contract holder.

Where an Applicant who already holds a 2018 Housing and Debt Contract is unsuccessful in their Tender to deliver HLPAS Contract Work, their 2018 Housing and Debt Contract will not be affected.

This IFA

This Information for Applicants document (“**IFA**”) provides information about the HLPAS Contract Work stage of this procurement process, including how Applicants submit a Response to the HLPAS ITT, and the rules of the procurement process.

Before submitting their HLPAS ITT Response, Applicants must read this IFA and all the SQ / Housing and Debt IFAs (as applicable) for this procurement process in their entirety and all supplementary information provided, such as Frequently Asked Questions (“**FAQs**”) and HLPAS Guides.

Applicants must also read the 2018 Contract and specifically sections 1 - 6 and 10 of the 2018 Standard Civil Contract Specification (“**Specification**”) containing details of Housing and Debt and HLPAS Contract Work requirements (available at [Standard Civil Contract 2018 - GOV.UK \(www.gov.uk\)](http://www.gov.uk)) in full to ensure that they understand the full nature and extent of the obligations they are committing to accept.

Where an Applicant is notified of the LAA’s intention to award it Contract Work subject to verification, it is the Applicant’s sole responsibility to ensure they provide all necessary verification information.

Where not defined in the body of this IFA, capitalised terms are either defined in the glossary at Annex B of the SQ IFA, or in the 2018 Contract. References to ‘procurement process’ relate to the process of the procurement of Housing Loss Prevention Advice Service Contract Work under this IFA.

Who can submit a HLPAS ITT Response?

SECTION 2: APPLICANTS' QUESTIONS

- 2.1 If an Applicant has a question about the HLPAS Contract Work stage of this procurement process, to which they cannot find a response in this document or guidance provided in the eTendering system, it will be able to direct it through two different channels depending on the type of question.

Questions that the LAA considers to be of wider interest will be collated and answered centrally in writing to ensure that all potential Applicants have equal access to information. Questions and answers will be published on the LAA's [tender pages](#).

Technical questions about how to operate the eTendering system

- 2.8 The LAA recommend that Applicants start to complete their Tender early so that they can identify any areas in which they need help as soon as possible, as the helpdesk is likely to be very busy in the days leading up to the Deadline. The LAA cannot guarantee that queries received close to the Deadline will be dealt with before the Deadline.
- 2.9 All Tenders must be completed and submitted using the eTendering system.

SECTION 3: ETENDERING SYSTEM

4.12 An individual In-Court Duty Scheme will be provided by a single provider subject to paragraph 7.26. The courts at which successful Applicants must deliver these services will be specified in their HLPAS Schedule.

4.13 Contract documentation is available on the LAA's website:
<https://www.gov.uk/government/publications/standard-civil-contract-2018>

4.14 Whilst the LAA may allocate a certain volume of Matter Starts and acts of assistance to Providers, no guarantee is provided in relation to the volume or value of work which individual Providers will receive or be paid for under any HLPAS Schedule. Services are provided under open market conditions and clients are free to choose from those Providers holding a HLPAS Schedule.

SECTION 6: COMPLETION OF A HLPAS ITT RESPONSE

- 6.1 The HLPAS ITTs can be found in in the eTendering system in Project 139 at ITTs 717 -718 and 720 - 827.
- 6.2 Applicants are required to complete a HLPAS ITT Response for each HLPAS area where they wish to perform HLPAS Contract Work. Where an Applicant is bidding for HLPAS Contract Work across multiple HLPAS ITTs its HLPAS ITT Response will be comprised of an Individual HLPAS Bid for each HLPAS.
- 6.3 Each HLPAS ITT contains the Technical Envelope which is comprised of the:
 - (a) Quality Award Criteria; and
 - (b) Proximity Award Criterion; and
 - (c) Warranties and declarations.

Quality Award Criteria

- 6.4 A full breakdown of each of the questions is included in the relevant HLPAS ITT and is replicated at Annex C.
- 6.5 The Quality Award Criteria require Applicants to set out how they will deliver HLPAS Contract Work, including how they will deploy appropriate infrastructure and appropriately skilled and experienced staff to deliver the HLPAS Contract Work.
- 6.6 Applicants must respond to the Quality Award Criteria specifically in relation to the HLPAS area being tendered for. Responses that are not specific to the HLPAS area likely to receive lower scores.
- 6.7 The Quality Award Criteria will be assessed in accordance with the evaluation methodology set out at paragraphs 7.5 to 7.9 to determine a “quality” score.
- 6.8 Each scored sub-criterion requires the Applicant to type a written response to the specific questions asked in the free text boxes provided.
- 6.9 Each text box has a maximum limit of 2000 characters (including spaces). Applicants have the facility to use up to a maximum of three text boxes in their responses to each sub-criterion question (allowing a total of 6,000 characters per response). Applicants will not be able to exceed the character limit when submitting their responses.

Proximity Award Criterion

- 6.10 The Proximity Award Criterion requires Applicants to confirm the physical location they will deliver the HLPAS from and allocates scores depending on distance from the court locations to be covered.
- 6.11 The Proximity Award Criterion is included in the relevant HLPAS ITT and is replicated at Annex C.
- 6.12 The Proximity Award Criterion is a scored question which is answered by selecting an answer from the drop-down menu.

6.13 Details of corresponding and neighbouring Housing and Debt Procurement Areas are set out in Annex B.

Warranties and declaration

6.14 The Technical Envelope also contains a warranties and declaration section. Applicants are referred to Annex C for the precise wording.

Mandatory Attachment – HLPAS ITTs

6.15 Applicants are required to upload the following Mandatory Attachment as part of each Individual HLPAS Bid:

Mandatory Attachment	Submission requirements
Staff Organogram	Required in response to Question N.1 of the Technical Envelope of each HLPAS ITT Response.

Staff Organogram

6.16 Applicants are required to submit a Staff Organogram for each Individual HLPAS Bid which includes information about how the Applicant will staff the HLPAS Contract Work in the applicable HLPAS area. Applicants should use their own templates. However, the Staff Organogram must as a minimum show:

- all roles that will be used in delivering the HLPAS Contract Work, including the HLPAS Manager. This should include the title of the role and the main duties that will be performed; and
- names of individual staff members fulfilling those roles (unless a vacant position), including whether they are currently employed, where there is a Signed Engagement Agreement and where they are employed as Agents; and
- the qualifications and experience of staff members fulfilling roles; and
- roles which are currently vacant; and
- whether staff members and/or roles are permanent or temporary. Where temporary, the Applicant should stipulate how long the position will last; and
- whether the staff member and/or role is full time or part time. Where part time, the Applicant should stipulate the proportion of an FTE the role comprises.

6.17 Where an Applicant fails to provide relevant Mandatory Attachment, the relevant Individual HLPAS Bid may be rejected. For example, if an Applicant has provided a Staff Organogram for the Whitehaven HLPAS area but has failed to provide a Staff Organogram for the Durham HLPAS area, the Applicant may have its Individual HLPAS Bid for the Durham HLPAS area rejected.

6.18 Providing the relevant Mandatory Attachment is a requirement for an Individual HLPAS Bid to be compliant. That is the case even where the information has been provided to the LAA by the Applicant in a format other than in an Organogram (e.g. where information relating to the Mandatory Attachment is contained within an Applicant's answer to an Award Criterion).

- 6.19 Please note that because Mandatory Attachments must be completed outside of the eTendering system and uploaded into an Individual HLPAS Bid, it is not possible for the eTendering system to prevent incorrect or incomplete information being submitted and it is the Applicant's responsibility to ensure fully completed and accurate information is attached.
- 6.20 The LAA will only accept attachments submitted in the following formats:
- Microsoft Word;
 - Microsoft Excel; or
 - Adobe PDF.
- 6.21 Applicants should check the contents of any attachments on the eTendering system (found in the "Actions" menu). Applicants should go to the section in the HLPAS ITT against which the attachments are uploaded and select "Download". This will open the versions of the attachments uploaded as part of a Tender.

Submission of verification information

- 6.22 Applicants will be able to submit verification information as part of their HLPAS ITT Response or provide that information by the verification deadline of 23.59 on **1 May 2023** where they have also submitted a Housing and Debt ITT Response as part of this procurement process.
- 6.23 Please note that because attachments must be completed outside of the eTendering system and uploaded into the HLPAS ITT Response, it is not possible for the eTendering system to prevent incorrect or incomplete information being submitted and it is the Applicant's responsibility to ensure fully completed and accurate information is attached.

Submitting an Individual HLPAS Bid and HLPAS ITT Response

- 6.25 Before submitting an Individual HLPAS Bid and ITT Response, an Applicant must check that it has answered all questions correctly. If the Individual HLPAS Bid and HLPAS ITT Response is incomplete it may be assessed as unsuccessful.

SECTION 7: HLPAS ITT RESPONSE ASSESSMENT

7.1 Applicants must ensure they submit an SQ Response in all cases and a Housing and Debt ITT Response where applicable. If no SQ Response and/or (where applicable) Housing and Debt ITT Response has been submitted, this will result in an incomplete Tender and the LAA will reject the Applicant’s HLPAS ITT Response in its entirety.

7.2 HLPAS ITT Responses will then be assessed in the following stages:

- Stage 1 – Housing and Debt Contract Work assessment
- Stage 2 – Quality Award Criteria
- Stage 3 – Proximity Award Criteria
- Stage 4 – Declaration and warranties assessment
- Stage 5 – Verification
- Stage 6 – Final Score
- Stage 7 – Tie-break (if applicable)

Stage 1 – Housing and Debt Contract Work assessment

7.3 The LAA will check its own records to confirm whether the Applicant holds, or has successfully tendered for, a Housing and Debt Contract at each Office from which it has tendered to deliver HLPAS Contract Work.

7.4 The LAA will reject any Individual HLPAS Bid where an Applicant does not meet the requirements of paragraph 7.3.

Stage 2 – Quality Award Criteria

7.5 The LAA will evaluate the responses within the Technical Envelope submitted by Applicants which contains the Quality Award Criteria. The score achieved by Applicants for the Quality Award Criteria constitutes 95% of the overall score.

7.6 Each scored sub-criterion will be assessed and given a score of between 0 and 4 in accordance with the scoring matrix in the below:

Score (0-4)	Scoring Criteria:
0	<p>Unacceptable: The following is indicative of factors that would lead to a score of 0:</p> <ul style="list-style-type: none"> • No response is provided, or the response is not relevant to the sub-criteria.
1	<p>Poor response: The following is indicative of factors that would lead to a score of 1:</p> <ul style="list-style-type: none"> • Little or no detail provided to answer the sub-criteria or a generic or vague response is provided making no reference to the specific issues/areas listed in the sub-criteria • The response provided requires the reviewer to make assumptions • The response provides confused and/or contradictory information in relation to other responses across the Individual HLPAS Bid submitted

2	<p>Adequate: The following is indicative of factors that would lead to a score of 2:</p> <ul style="list-style-type: none"> • The response engages with the sub-criteria but does not specifically address all issues/areas listed in the sub-criteria • The Applicant provides limited evidence/information indicating how it meets the sub-criteria • The response provides consistent information in relation to other responses across the Individual HLPAS Bid submitted
3	<p>Acceptable: The following is indicative of factors that would lead to a score of 3:</p> <ul style="list-style-type: none"> • The response addresses all issues/areas listed in the sub-criteria in most material respects but is lacking in some minor respects. • The response provides consistent information in relation to other responses across the Individual HLPAS Bid submitted
4	<p>Comprehensive: The following is indicative of factors that would lead to a score of 4:</p> <ul style="list-style-type: none"> • The response addresses all issues/areas listed in the sub-criteria in a comprehensive manner • The Applicant provides high quality evidence/information indicating how it meets the sub-criteria • The response provides consistent information in relation to other responses across the Individual HLPAS Bid submitted

7.7 To score higher points, Applicants should reference the information published in the specific HLPAS Guide, including demonstrating that their response is applicable to the specific characteristics of the HLPAS area being tendered for (e.g. specific Court listing days). Responses that are not specific are likely to achieve lower points.

7.8 The relevant weighting will be applied to the score achieved against the relevant sub criterion. Weighted scores in the Quality Award Criteria will be calculated to two decimal places. Weighted scores for all Quality Award Criteria will be added together to give an overall Quality Award Criteria score out of 95. The weightings for the HLPAS Quality Award Criteria will be:

- 7.12 For New Entrants, the LAA will review the outcome of the assessment of the Individual Housing and Debt Bid to confirm the Applicant's nominated Office is in the corresponding or neighbouring Procurement Area.
- 7.13 Where the LAA's records or the Applicants Individual Housing and Debt Bid(s) do not confirm that the Applicant has (or will have) an Office in the corresponding or neighbouring Procurement Area, the Applicant will receive 0 points for this question.
- 7.14 Where Applicants submitted a Housing and Debt ITT Response as part of this procurement process but as part of verification chose to change the Procurement Area in which their Office will be based, as set out at paragraphs 7.5 to 7.6 of the [Housing and Debt IFA](#), this may result in the Housing and Debt Procurement Area no longer matching the option selected in the HLPAS ITT Response.
- 7.15 Where paragraph 7.14 applies, the Applicant's response will be re-scored to 0.

Stage 4 – Verification

- 7.16 Applicants will be required to verify their Individual HLPAS Bids with their HLPAS ITT Response or by no later than 23.59 on 1 May 2023.**
- 7.17 Whilst undertaking Stages 2 and 3 the LAA will assess verification information submitted with an Applicants HLPAS ITT Response. Where verification information has been provided with the HLPAS ITT Response Applicants will be given one opportunity to provide compliant verification information. Only Applicants who have provided compliant verification by no later than 23.59 on 1 May 2023 will go forward to Stage 6 (Final Score).**
- 7.18 Any Individual HLPAS Bid for which compliant verification is not received will be rejected.**

Stage 5 – Declarations and warranties

- 7.19 The LAA will assess the declarations given in an Applicant's Housing and Debt ITT Response to ensure the Applicant has provided the necessary declarations and warranties on a pass/fail basis.**
- 7.20 Where the Applicant fails to provide the necessary declarations and warranties, the whole Housing and Debt ITT Response may fail.**

7.21 Applicants who are assessed as having provided the necessary declarations and warranties will be eligible for the award of HLPAS Contract Work, subject to verification.

Stage 6 – Final Score

7.22 The scores from Stage 2 and Stage 3 will be combined to make a Final Score, based on a maximum score of 100 points. The Final Scores of Applicants in each HLPAS ITT will be ranked, and the Applicant with the highest Final Score will be awarded the HLPAS Contract Work in each HLPAS area.

Stage 7 – Tie-break (if applicable)

7.23 In the event that Applicants are tied the LAA will show preference to Applicants which achieved higher weighted scores in the Quality sub-criteria that the LAA has identified as “Priority Questions” as set out at paragraph 7.24 below. The LAA will combine the weighted scores that each tied Applicant has achieved for the Priority Questions and award the Contract to the Applicant who has achieved the highest combined score.

7.24 The Quality sub-criteria which are Priority Questions are:

- 1.1
- 1.2

7.25 Where Applicants are still tied following the process set out above the LAA may award more than one contract to deliver a HLPAS, with the successful Applicants delivering the HLPAS on a rota.

Contract Award

7.26 All Applicants will be notified of the outcome of their HLPAS ITT Response by a letter sent via the eTendering system.

7.27 Where an Applicant’s Individual HLPAS Bid has been unsuccessful following Stage 6, or, where applicable, Stage 7, their letter will set out their score, ranking, strengths and weaknesses of their Individual HLPAS Bid, and the relative advantages of the successful Applicant’s Individual HLPAS Bid.

7.28 The LAA will observe a voluntary 10-day standstill period beginning the day after notification is sent to Applicants of the outcome of this procurement process.

Issuing Contract documentation

7.29 Where an Applicant has been awarded HLPAS Contract Work, the outcome notification letter will set out how the HLPAS Schedule will be issued.

SECTION 8: GENERAL RULES OF THIS PROCUREMENT PROCESS

- 8.1 The rules of this procurement process are set out at Section 5 of the SQ IFA and can be found [here](#).
- 8.2 Applicants must read the rules of the procurement process in full.
