Re: section 62a-planning-application s62a20220012-land-east-of-station-road-elsenhams:

Objections:

Elsenhams is a small village and has few facilities

The primary school is full,

EVERYONE has to travel to larger towns for shopping ,entertainment and work

No secondary school, have to travel

Roads are narrow and winding and breaking at the edges

Stansted is over run with traffic and has Grove Hill, and Chapel Hill

Doctors surgery is small and inadequate

More houses will mean more traffic

Trains are one an hour

Buses are few and go all over the place to go a short distance

Please don't build more houses in Elsenhams.
