## **POA**

### **Statement of National Executive Committee's Responsibilities**

The National Executive Committee is responsible for preparing the report and accounts in accordance with applicable law and regulations.

Trade Union law requires the members of the National Executive Committee to prepare accounts for each financial year. Under that law the members have elected to prepare the accounts in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under Trade Union law the members must not approve the accounts unless they are satisfied that they give a true and fair view of the state of affairs of the Trade Union and of its income and expenditure for that period. In preparing these accounts, the members are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the Trade Union will continue in operation.

The members are responsible for keeping adequate accounting records that are sufficient to show and explain the Trade Union's transactions and disclose with reasonable accuracy at any time the financial position of the Trade Union and enable them to ensure that the accounts comply with the Trade Union & Labour Relations (Consolidation) Act 1992. They are also responsible for safeguarding the assets of the Trade Union and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

## **POA**

### **Independent auditor's report to the members of POA**

#### **Opinion**

We have audited the accounts of POA for the year ended 31 December 2021 which comprise the Income and Expenditure Account, the Balance Sheet and notes to the accounts, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the accounts:

- give a true and fair view of the state of the POA's affairs as at 31 December 2021 and of its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Trade Union and Labour Relations (Consolidation) Act 1992.

#### **Basis of opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the accounts section of our report. We are independent of the POA in accordance with the ethical requirements that are relevant to our audit of the accounts in the UK, including the FRC's Ethical Standard, and the provisions available for small entities, in the circumstances set out below, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

In accordance with the exemption provided by FRC's Ethical Standard - Provisions Available for Audits of Small Entities, we have prepared and submitted the POA's returns to the tax authorities and assisted with the preparation of the accounts.

#### **Conclusions relating to going concern**

In auditing the financial statements, we have concluded that the members' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the union's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

#### **Other information**

The other information comprises the information included in the report and accounts, other than the accounts and our auditor's report thereon. The members are responsible for the other information. Our opinion on the accounts does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. In connection with our audit of the accounts, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the accounts or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the accounts or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

## POA

### Independent auditor's report to the members of POA

#### Matters on which we are required to report by exception

We have nothing to report in respect of the following matters in relation to which the UK Generally Accepted Accounting Practice requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the accounts are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

#### Responsibilities of members

As explained more fully in the members' responsibilities statement, the members are responsible for the preparation of the accounts and for being satisfied that they give a true and fair view, and for such internal control as the members determine is necessary to enable the preparation of accounts that are free from material misstatement, whether due to fraud or error.

In preparing the accounts, the members are responsible for assessing the POA's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the members either intend to liquidate the POA or to cease operations, or have no realistic alternative but to do so.

#### Auditor's responsibilities for the audit of the accounts

Our objectives are to obtain reasonable assurance about whether the accounts as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these accounts.

A further description of our responsibilities for the audit of the accounts is located on the Financial Reporting Council's website at [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditor's report.

**POA**  
**Notes to the Accounts**  
**for the year ended 31 December 2021**

**1 Accounting policies**

***Basis of preparation***

The accounts have been prepared under the historical cost convention and in accordance with FRS 102, The Financial Reporting Standard applicable in the UK and Republic of Ireland (as applied to small entities by section 1A of the standard) and the requirements of the Trade Union and Labour Relations (Consolidation) Act 1992.

***Subscriptions***

Members subscriptions are accrued so that the amount disclosed in the Income and Expenditure Account relates to the year under review.

***Tangible fixed assets***

Tangible fixed assets are measured at cost less accumulative depreciation and any accumulative impairment losses. Depreciation is provided on all tangible fixed assets, other than freehold land, at rates calculated to write off the cost, less estimated residual value, of each asset evenly over its expected useful life, as follows:

Freehold property and improvement	over 50 years
Leasehold property	over 50 years
Computer equipment	over 3 years
Office equipment	over 4 - 5 years
Fixtures and fittings	over 5 years

Freehold and leasehold properties were revalued at 31 October 2015.

***Debtors***

Short term debtors are measured at transaction price (which is usually the invoice price), less any impairment losses for bad and doubtful debts. Loans and other financial assets are initially recognised at transaction price including any transaction costs and subsequently measured at amortised cost determined using the effective interest method, less any impairment losses for bad and doubtful debts.

***Creditors***

Short term creditors are measured at transaction price (which is usually the invoice price). Loans and other financial liabilities are initially recognised at transaction price net of any transaction costs and subsequently measured at amortised cost determined using the effective interest method.

***Taxation***

The POA is assessable to UK Corporation Tax on all investment income and capital gains arising on the sale of investments. Under Section 467 ICTA 1988 the POA obtains exemption from income tax and corporation tax in respect of its income and chargeable gains which is not trading income and which is applicable and applied for the purpose of Provident Benefits.

**POA**  
**Notes to the Accounts**  
**for the year ended 31 December 2021**

***Leased assets***

A lease is classified as a finance lease if it transfers substantially all the risks and rewards incidental to ownership. All other leases are classified as operating leases. The rights of use and obligations under finance leases are initially recognised as assets and liabilities at amounts equal to the fair value of the leased assets or, if lower, the present value of the minimum lease payments. Minimum lease payments are apportioned between the finance charge and the reduction in the outstanding liability using the effective interest rate method. The finance charge is allocated to each period during the lease so as to produce a constant periodic rate of interest on the remaining balance of the liability. Leased assets are depreciated in accordance with the company's policy for tangible fixed assets. If there is no reasonable certainty that ownership will be obtained at the end of the lease term, the asset is depreciated over the lower of the lease term and its useful life. Operating lease payments are recognised as an expense on a straight line basis over the lease term.

***Provident Benefit Fund***

This fund was established to receive all income and chargeable gains derived from the POA's investments, loans and bank interest. From the fund are paid all provident benefits as defined under section 467 ICTA 1988. Any shortfall is covered by a contribution from the Accumulated Fund and is separately disclosed in the Income and Expenditure account.

***Political Fund***

This fund was set up for the furtherance of the political objects to which Section 72 of the Trade Union & Labour Relations (Consolidation) Act 1992 applies. Unused funds are separately shown in the Income and Expenditure account.

***Levy Fund***

This fund was originally set up for one year only running from June 2007 to May 2008. Its main purpose is to assist in covering the costs of the POA going to the European Court to regain trade union rights.

***Trade Disputes Fund***

This fund was originally set up for one year only running from June 2016 to May 2017. Its main purpose is to assist in covering the costs of the POA in regard to trade disputes.

***Pensions***

Contributions to defined contribution plans are expensed in the period to which they relate.

***Branches***

Subscription income and expenditure relating to branches has been included in the income and expenditure account on an accruals basis.
