Dear sir/madam,

I have just been made aware of the new building application in Elsenham, for a further 200 houses. Surely this isn't being considered? An application for 600+ houses was rejected in 2016 and nothing has changed. The infrastructure is still struggling. My son and my mother have both had road traffic accidents on Henham road, in the last 4 years. Hall road is so busy, it has become an absolute nightmare. Last month there were 2 deaths, within 2 days. I work at Elsenham surgery and we can't cope with the increase of patients. It seems Elsenham, as a village is at breaking point.

Please do consider all objections.

Kindest regards,
Mrs Joanne Munday
