Dear Sirs

Name: Shaun Gleeson

Address; [REDACTED]

I am objecting to the application for 200 houses on the existing site for 350 houses, being developed by Bloor. My reasons are :-

- This is piecemeal development that the secretary of state agreed was not sustainable in 2016
- The local area including Grove Hill, Lower Street and Chapel Hill in Stansted will not cope with the extra traffic
- The local school is full
- Lack of facilities (shops etc) and Limited public transport forces local residents to use their cars to visit Bishops Stortford or Saffron Walden for their shopping and supplies
- The loss of Grade 1 & 2 Agricultural land.

This and any other development in the local area will further decimate the local communities.

Sincerely  
Shaun Gleeson
