Dear Susan,

Thank you for the correspondence and for confirming that the public hearing initially scheduled for 10 January 2023 has been postponed.

We are seeking to submit the additional information requested to address the various queries raised by 20 January 2023, which we trust is acceptable given the Christmas period is almost upon us. We are aware that the Planning Inspectorate may be required to issue further consultations following receipt of this information. We agree to an extension of time being agreed in order to provide us with an opportunity to submit the additional information, enable the Inspectorate to notify and consult third parties, hold the public hearing and determine the application.

If you require any further information at this stage please don't hesitate to contact me.

Kind regards,

Jamie Cann
